Dated 28 April, 2020

PUBLIC NOTICE

Subject: Discontinuation of grant of registration of Bio-pesticides for already registered strain under Section 9(3b) and subsequent extensions-reg.

In order to promote registration of Bio-pesticides for already registered strain under Section 9(3), the Registration Committee (RC) had relaxed the guidelines in its 371st meeting (vide agenda item no. 3.4) held on 16.12.2016. Further, the RC continued to grant Provisional registration of Bio-pesticides for registered strain under Section 9(3b) initially for two years followed by maximum three years extension on yearly basis on the request of the registrant.

2. This has been reviewed by the RC in its 413th meeting (vide agenda item no. 3.2) held on 03.03.2020, 06.03.2020 and 09.03.2020 respectively and decided as under:

"RC deliberated the agenda and observed that there is relaxed guideline for registration of Biopesticides which have been further simplified wherein no efficacy, safety and packaging data is required for same formulation of already registered strains. In view of above, RC decided to henceforth do away with registration u/s 9(3b) and extension of validity for such already registered Bio-pesticides strains. Applicants may directly apply for registration u/s 9(3) with simplified guidelines for same formulation of already registered strains by submitting only DNA finger print report from NBAIM, Mau, Lucknow and Analytical Test Report(ATR)from CIL."

3. This is for information and compliance by all concerned.

(Vivek Narayan)

Sr. Administrative Officer (CIB&RC)

Distribution:

1. All Pesticides Associations
