

MINUTES OF 389th MEETING OF REGISTRATION COMMITTEE HELD ON 13.06.2018 AND 15.06.2018 IN THE CHAMBER OF DR. S. K. MALHOTRA, AGRICULTURE COMMISSIONER, ROOM NO. 231, KRISHI BHAWAN, NEW DELHI.

The 389th Meeting of Registration Committee (RC) was held under the Chairmanship of Dr. S. K. Malhotra, Agriculture Commissioner on 13.06.2018 and 15.06.2018 at 10:00 AM Room No. 231, Krishi Bhawan, New Delhi. Dr. P. K. Chakrabarty, ADG (PP), ICAR, Krishi Bhawan, New Delhi; Dr. K.K. Sharma, Network Coordinator, ICAR-AINP on Pesticide Residue, New Delhi; Sh. V. Venvmadhav, Drug Inspector (Representative of Drugs Controller), Krishi Bhawan, New Delhi and Shri D.D.K. Sharma, Addl. Plant Protection Adviser & Secretary, CIB&RC, Faridabad attended the meeting. Following officers from the Secretariat of CIB&RC were also present to assist the Committee:

1. Dr. Sushil K. Khurana, Consultant (Pathology)
2. Dr. Sandhya Kulshreshtha, Consultant (Pharmacology)
3. Dr. Sarita Bhalla, Consultant (Pharmacology)
4. Dr. Gautam Chatterjee, JD (PP)
5. Dr. Archana Sinha, JD (Chem.)
6. Sh. Hariom Miglani, Sr. Law Officer
7. Sh. A. Krishna Reddy, DD(WS)
8. Miss Kamlesh Miglani, DD (Chem)
9. Sh. Kiran W. Deshkar, DD (E)
10. Sh. R. B. Sharma AD (Chem)
11. Sh. Avnish Tomar AD (Pack)
12. Sh. Vivek Narayan, Sr. AO

At the outset, Chairman welcomed the members and asked APPA & Secretary, CIB&RC who is holding charge of PPA also to take up the agenda for deliberation. The agenda wise decisions taken by the RC are as under:

<u>Agenda item No.</u>	<u>Particulars of Agenda</u>
1.0	Confirmation of minutes of the 388th RC meeting of the Registration Committee
	Committee deliberated the minutes of 388 th meeting of registration Committee and confirmed with minor correction in the following Agenda Items: Agenda Item No. 4.1.5 approved with the following conditions to be incorporate in the

	<p>certificate of registration issued under the fast track category:</p> <ul style="list-style-type: none"> i) Validity of the certificate will be one year from the date of issue. ii) The quantity of the product shall be mentioned in the certificate of registration as per the export order. iii) Applicant after the dispatch of the material, shall submit an affidavit that all the material has been exported to the concerned Agency/Firm. iv) The applicant shall submit an affidavit that in the event of cancellation of export order, the product covered under the certificate of registration shall be disposed of in an environment friendly manner and no part thereof shall be sold in the Indian market.
2.0	<u>Presentation</u>
2.1	Presentation of M/s Syngenta india Ltd., for grant of registration for Indigenous Manufacture of the product <i>Thiamethoxam 30% FS</i> under section 9(3).
	The applicant presented the data and RC directed the applicant to submit clarification on Bioefficacy data. The applicant agreed to furnish the same and RC decided that the matter may be placed in the next RC.
2.2	Presentation of M/s ADAMA India Pvt. Ltd., for grant of registration for <i>Fluensulfone 47% TC (MUP)</i> for import of <i>Fluensulfone 47% TC (MUP)</i> for formulation indigenous manufacture of <i>Fluensulfone 2% GR</i> under section 9(3).
	<p>The committee perused the presentation made by the applicant and noted that there is marginal difference in oral LD50 values between <i>Fluensulfone 47% TC</i> and <i>Fluensulfone 95% (tech grade)</i>: 500 vs. 671. Moreover, the <i>Fluensulfone 2% GR</i>, the formulated product has LD50 > 2000 mg/Kg bw. In the instant case oral LD50 value of 501 is considered as moderately toxic category (501-5000 mg/ Kg) and dermal LD50 values of both <i>Fluensulfone 47% TC</i> and <i>Fluensulfone 95% (tech grade)</i> is > 2000 mg/Kg (moderately toxic levels 2000-20,000 mg/Kg).</p> <p>RC deliberated the agenda and approved the application for grant of registration for import of <i>Fluensulfone 47% TC (MUP)</i> for formulation indigenous manufacture of <i>Fluensulfone 2% GR</i> under section 9(3).</p>
2.3	Presentation of M/s Willowood Chemicals Pvt. Ltd., for grant of registration for indigenous manufacture for export of <i>Oxamyl 24% SL</i> and <i>Oxamyl 42% SL</i> under section 9(3) export.

	The RC deliberated the agenda and decided to approve grant of registration for indigenous manufacture for export of <i>Oxamyl 24% SL and Oxamyl 42% SL</i> u/s 9(3) Export
2.4	Presentation of M/s Ajay Biotech (India) Ltd., for grant of registration for indigenous manufacturing of <i>Bacillus thuringensis var kursaki 7.50% WP</i> under section 9(3B) (Strain designation: A97, Serotype H-3a, 3b, Spore CFU 2 x 10⁹/gm, Accession No. NAIMCC B-01317.
	The committee perused the presentation made by the applicant on Bioefficacy results and variation in delta-endotoxin, CFU and potency with no linear relation between them. RC deliberated on the agenda and decided to defer for further discussion together with other similar agenda items for taking a uniform view.
2.5	Presentation of M/s Sulphur Mills Ltd., for grant of registration for indigenous manufacture of <i>Fipronil 0.8% GR</i>.
	The committee perused the presentation made by the applicant and deferred the case for want of study / literature on use of Sulphur as inert material.
2.6	Presentation of M/s FMC India Pvt. Ltd., for Guidelines for Technical import (new source) Vs Formulation import without registering technical (TI vs WRT).
	RC noted the presentation made by M/s FMC India Pvt. Ltd.,
3.0	<u>Government Business</u>
3.1	Order in appeal No. 07 of 2017 and Appeal No. 10, 11, 13, 14, 15, 16 and 17 of 2017.
	The committee noted the orders passed by the Hon'ble Appellate Authority in the above appeals and decided that the orders may be complied in its true sprite and the pending applications of the Appellants under TI vs TIM category i.e. M/s Crystal Crop Protection and M/s Willowood Chemicals Pvt. Ltd., may immediately be processed and put before the next RC meeting. The committee also perused the requests made by certain companies that their pending applications under TI vs TIM category may also be processed in line with the aforesaid orders of the Appellate Authority. RC deliberated the matter and decided that there may be similarly placed persons whose applications are also pending the TI vs TIM category and they also deserve to get a parity of the orders of the Hon'ble Appellate Authority. In view of above the RC decided that the applications of similarly placed person may also be processed subject to the concurrence of Hon'ble Appellate Authority. The RC

	further decided that a communication may be sent to the Hon'ble Appellate Authority for its concurrence. RC also directed Secteriate of CIB&RC to seek further 3 months time from Appellate authority to process the applications refered under the above appeals.
3.2	Bombay high court stay order on CIB&RC decision of NOC cancellation.
	The committee perused the request of M/s Lanxess India Pvt. Ltd., requesting to consider their NOC in view of the order of the Hon'ble Bombay High Court dated 02.05.2018 passed in W. P. No. 11798 of 2017. The committee deliberated the issue and observed the aforesaid order staying the operation of the decision of the RC taken in its 379 th meeting qua the petitioner in W. P. No. 11798 of 2017. However, RC decided to seek the legal opinion of our Government Counsel dealing in the matter before arriving at appropriate decision.
3.3	Submission of report of Expert group constituted by Registration committee in its 372nd meeting held on 05.01.2017 for revising the present guidelines for import of various pesticides used under dual purpose keeping in view various court cases and "Make in India" initiative of Government of India.
	Committee noted the submission of report of expert group for further deliberation in the next RC meeting.
3.4	Consideration of Gazette Notification regarding reduction of number of forms in the "First Schedule" of the Insecticides Rules, 1971.
	RC noted the Gazettee Notification regarding amendment & reduction of forms and directed Secretariat of CIB&RC to implement the same with immediate effect. The RC also advised to take up the matter with NIC for changes in the CROP (software – online system) if any.
3.5	Committee report on framing the guidelines for registration of TIM (by the original registrant under formulation import (FI) category with additional manufacturing site in India.
	The draft guidelines as presented to the RC were deliberated and the same were approved as per Annexure – 3.5.1 . RC also accepted the recommendation of the Expert Committee to extend the framed guidelines for Technical Import (TI) category also.
4.0	<u>Export Cases</u>
4.1	List under section 9(3) Export applications
	The Agenda was deliberated in detail & it decided the cases as per Annexure 4.1.1, 4.1.2, 4.1.3, 4.1.4 . The Committee further decided that the applicants of import for export category shall be subjected to the decision taken by the Committee in its 357 th meeting.
5.0	<u>9(3B) Cases</u>
5.1	Request from M/s Jai Biotech for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.

	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.2	Request from M/s Sugway Agribiotech and Research foundation for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.3	Request from M/s Krishi Vigyan Kendra for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.5% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.4	Request from M/s Jhass Agro Industries for 2nd time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.5	Request from M/s Liebigsagro Chemical Pvt. Ltd., for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.6	Request from M/s Tagros Chemicals India Ltd., for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.7	Request from M/s M. D. Biocoals Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.

	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.8	Request from M/s M. D. Biocoals Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.5% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.9	Request from M/s Kaveri Seed Company Ltd., for 2nd time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.10	Request from M/s Kaveri Seed company Ltd., for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.11	Request from M/s New Swadeshi Sugar Mills for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.12	Request from M/s Antecedent Pabulm Inc. for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.13	Request from M/s Department of Plant Pathology, college of Agriculture for 2nd time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1% WP for one year with commercialization.

	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.14	Request from M/s Gokulam Enterprises for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.15	Request from M/s Patanjali Bio Research Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.16	Status of M/s Shobika Impex Private Ltd.,
	The committee deliberated the agenda and decided that the applicant is required to submit protocol to the RC for its approval and the study may be conducted after the approval of protocol.
5.17	Request of M/s Harsidhi Biotech (India) Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.18	Request of M/s Manshya Enviro Biotech Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.19	Request of M/s Curative Microbes Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the

	applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.20	Request of M/s Curative Microbes Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.21	Request of M/s Shree Jee Biotech Agriculture & Equipments for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.22	Request of M/s Nivshakti Bioenergy Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.23	Request of M/s Suryabio Products for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.24	Request of M/s International Biotech for 2nd time extension of validity period of provisional certificate of registration of <i>Trichoderma harzianum</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.25	Request of M/s International Biotech for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of

	concerned institute/university or Director of research.
5.26	Request of M/s Shri Datta gro-Tech & Equipment for 2nd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.27	Request of M/s Nivshakti Bioenergy Pvt. Ltd., for 2nd time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.28	Request of M/s E.I.D. Parry (India) Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.29	Request of M/s Maa Narsai Biotech & Chemicals, for 3rd time extension of validity period of provisional certificate of registration of <i>Pseudomonas fluorescens</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and approved. No further extension shall be granted.
5.30	Request of M/s E.I.D. Parry (India) Ltd., for 1st time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.31	Request of M/s Maa Narsai Biotech & Chemicals for 3rd time extension of validity period of provisional certificate of registration of <i>Trichoderma viride</i> 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and approved. No further extension shall be granted.
6.0	<u>9(3) CASES</u>

6.1	Consideration of an application of M/s GSP Crop Science Pvt. Ltd., for grant of registration for import (new source) of <i>Pyriproxyfen Technical 97% w/w min.</i> under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration for import (new source) of <i>Pyriproxyfen Technical 97% w/w min.</i> A condition may be incorporated on the label and leaflet that the product is toxic to fish.
6.2	Consideration of an application of M/s GSP Crop Science Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Pyriproxyfen 5% + Diafenthiuron 25% SE (w/w)</i> under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval for control of Aphid, Jassids, Thrips and White fly on Cotton. A condition may be incorporated on the label and leaflet that the formulation is highly toxic to fish and daphnia. The toxicity is additive of <i>Pyriproxyfen + Diafenthiuron SE</i> and such may not be used in and around aquaculture.
6.3	Consideration of an application of M/s Parijat Industires (India) Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Azoxystrobin 23% SC (FIM vs FIT)</i> under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration of indigenous manufacture of <i>Azoxystrobin 23% w/w SC</i> .
6.4	Consideration of application of M/s Ajai Biotech India Ltd., for grant of registration for indigenous manufacture of <i>Bacillus thuringensis var israelensis 5% min. AS</i> under section 9(3) (Strain designation ABIL-96 Accession No. NAIMCC B-01318).
	Committee deliberated the agenda and decided to call the applicant for presentation on issues related to potency and efficacy. RC also directed Secretariat of CIB&RC to invite experts from NVBDCP and ICMR.
6.5	Consideration of application of M/s Ajay Biotech (India) Ltd., for grant of equal shelf life of <i>Bacillus thuringensis var israelensis</i> on the basis of data generated by the stain inventor/applicants.
	Committee deliberated the agenda and decided to call the applicant for presentation on issues related to potency and efficacy. RC also directed Secretariat of CIB&RC to invite experts from NVBDCP and ICMR.
6.6	Consideration of application of M/s T. Stanes and Company Ltd., for grant of registration for indigenous manufacture of <i>Pseudomonas fluorescens 1.5% Liquid formulation u/s 9(3)</i> (Strain designation PF-1, Accession No. MTCC No. 5671).
	Committee deliberated the Agenda & approved the registration for indigenous manufacturing of Bio-Pesticide <i>Pseudomonas fluorescens 1.0% WP</i> for control of Bacterial Wilt (<i>Ralstonia solanacerum</i>) on Tomato & Wilt (<i>Fusarium oxysporum</i>) on Okra, and root knot nematodes (<i>Meloidogyne incognita</i>) on Tomato & Okra.
6.7	Consideration of application of M/s Gharda Chemicals India Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Chlorpyrifos 35% + Fipronil 3.5% EC</i> under section 9(3).

	Committee deliberated the agenda and deferred to review again with respect to toxicity to fish and aquatic organism and Bioefficacy.
6.8	Consideration of application of M/s Amit Biotech Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Bacillus thuringiensis var israeaelensis</i> 5% min AS under section 9(3). (Strain designation VCRC-B-17, reerotyphe :H-14, Accession No. MTCC-5596)
	Committee deliberated the agenda and decided to invite the applicant for presentation on issues related to potency and efficacy. RC also directed Secretariat of CIB&RC to invite experts from NVBDCP and ICMR.
6.9	Consideration of an application of M/s Mahamaya Lifescience Pvt. Ltd., for grant of registration for <i>Fipronil 0.05% Gel</i> for formulation import under section 9(3).
	Committee deliberated the agenda and directed Secretariat of CIB&RC to verify the Bioefficacy data in similar earlier cases and placed before the next RC meeting.
6.10	Consideration of an application of M/s FMC India Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Fluthiacet-methyl 10% EC</i> under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval subject to fixation of MRL for control of <i>Commelina sp.</i> , <i>Digera arvensis</i> , <i>Acalypha indica</i> , <i>Amaranthus viridis</i> on Soybean. A condition may be incorporated on the label and leaflet that the Fluthiacet-methyl is highly toxic to fish and moderately toxic to fresh water invertebrates.
6.11	Request for change in registration category from formulation import to formulation indigenous manufacturing (FIM) u/s 9(3).
	Committee deliberated the agenda and agreed to change the category from this file Formulation Import to Formulation Indigenous Manufacture.
6.12	Request for revival of application of F. No. 6618-FI/9(3)/2015-CIR-II of <i>Pyroxasulfone 85% WG</i> from M/s P I Industries Ltd.,
	Committee deliberated the agenda and Approved for revival.
6.13	Consideration of an application of M/s Willowood Chemicals Pvt. Ltd., for grant of registration for import of <i>Gibberellic Technical 90% w/w min.</i> (TI vs TIM) under section 9(3).
	The RC directed to re-examine and place before the next RC meeting in view of the decision of Appellate Authority.
6.14	Consideration of an application of M/s Willowood Chemicals Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Cartap hydrochloride 4% + Fipronil 0.5% CG</i> under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration for control of Stem borer & Leaf folder on Rice. Following conditions may be incorporated on the label and leaflet:

	<ol style="list-style-type: none"> 1. Cartap hydrochloride is toxic to bees and thus should be avoided on vegetation around when bees are foraging. 2. Product is toxic to fish and aquatic organisms and may be avoided near aquaculture.
6.15	Consideration of an application of M/s Parijat Industires (India) Pvt. Ltd., for grant of registration for Technical import of Azoxystrobin Technical 96.5% w/w min. from new source under section 9(3).
	Committee deliberated the agenda and Approved for grant of registration for import of Azoxystrobin Technical 96.5% w/w min.
6.16	Consideration of an application of M/s Rallis India Ltd., for grant of registration for Clethodim 25% w/w EC for formulation import without registering Clethodim Technical under section 9(3).
	Committee deliberated the agenda and decided that applicant may be invited for presentation on the issue of Bioefficacy and toxicity data.
7.0	<u>9(4) TIM CASES</u>
7.1	Consideration of application of M/s Best Crop Science LLP, for grant of registration for indigenous manufacture of Copper Oxychloride Technical 57% w/w min. under section 9(4) TIM.
	Deferred for want of clarification from Chemistry on purity of the product.
7.2	Consideration of application of M/s Punjab Chemicals and Crop Protection Ltd., for grant of registration for indigenous manufacture of Tricyclazole Technical 95% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>Tricyclazole Technical 95% w/w min.</i> The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.3	Consideration of application of M/s Best CropScience LLP, for grant of registration for indigenous manufacture of Chlorimuron ethyl Technical 95% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>Chlorimuron ethyl Technical 95% w/w min.</i> The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.4	Consideration of application of M/s Best Crop Science Pvt. Ltd., for grant of registration for indigenous manufacture of Propineb Technical 80% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>Propineb Technical 80% w/w min.</i> The committee further decided that a condition to be incorporated on the CR, “that the

	CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
8.0	<u>ENDORSEMENT CASES</u>
8.1	Transfer of 19 registration certificates from M/s Shimac Organics to M/s Shimac Organics Pvt. Ltd.,
	Committee deliberated the agenda and approved.
8.2	Transfer of the registration certificate of <i>D-trans allethrin 0.01% w/w + Permethrin 0.03% w/w + Imiprothrin 0.02% w/w Aresole</i> from M/s Reckitt Benckiser (India) Pvt. Ltd., to M/s Hindustan foods Ltd.,
	Committee deliberated the agenda and approved.
8.3	Endorsement of enhancement of validity of registration certificate for import of <i>Propaquizafop 10% EC</i>.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If applicant found not possessing the registration for indigenous manufacture, RC extended the validity of the certificate of registration for import of Propaquizafop 10% EC min. up to 31.03.2023.
8.4	Endorsement of already approved additional source of import of <i>Glyphosate Technical 95% w/w min.</i>
	The committee has decided there is no guidelines for endorsement of source of import in import for export certificate and hence the case is rejected.
8.5	Endorsement of already approved additional source of import of <i>Abamectin Technical 95% w/w min.</i>
	The committee has decided there is no guidelines for endorsement of source of import in import for export certificate and hence the case is rejected.
8.6	Endorsement of already approved additional source of import of <i>Difenconazole Technical 92% w/w min.</i>
	The committee has decided there is no guidelines for endorsement of source of import in import for export certificate and hence the case is rejected.
8.7	Consideration of request of M/s Rallis India Pvt. Ltd., for extension of bio-efficacy claim of <i>Flubendiamide 20% WG</i> in Soybean, groundnut, Black Gram and Bengal Gram u/s 9(3).
	Committee deliberated the agenda and Approved for controlling <i>Spodoptera litura</i> & <i>Semilooper</i> on soybean; <i>Spodoptera litura</i> & <i>Maruca</i> sp.; Pod borer (<i>Helicoverpa armigera</i>) on Bengal Gram, <i>Spodoptera litura</i> on Groundnut, subject to fixation of MRL on Groundnut. A condition may be incorporated on the label and leaflet that the product is toxic to fish and aquatic invertebrate and thus the product containing the molecules may be avoided near aquaculture.

8.8	Consideration of request of M/s Adama India Pvt. Ltd., for the label expansion of <i>Tebuconazole 5.4% w/w FS</i> on Cheickpea for the control of Root Rot and wilt and groundnut for the control of Collar rot stem rot and wilt disease.
	Committee deliberated the agenda and Approved <i>Tebuconazole 5.4% w/w FS</i> for controlling of Root rot and wilt on Chickpea; Collar rot stem rot and wilt on Groundnut. A condition may be incorporated on the label and leaflet that the product is toxic to fishes and may be avoided in and around aquaculture.
8.9	Consideration of request of M/s BASF India Ltd., for the label expansion of <i>Metrafenone 500 g/l SC</i> on cucumber crop for the control of powdery mildew disease.
	Committee deliberated the agenda and Approved subject to fixation of MRL for controlling of Powdery mildew on Cucumber. Two conditions may be incorporated on the label and leaflet: <ol style="list-style-type: none"> 1. The product is toxic to aquatic life and thus the product containing the molecules may be avoided near aquaculture. 2. Metrafenone resistance has recently been reported in a population of grape powdery mildew pathogen <i>erysiphe necator</i> isolates in northern Italy. Thus the fungicide may be used judiciously avoiding exposure to sub-lethal doses and repeated use.
8.10	Change of crop and molecule name.
	Committee deliberated the agenda and agreed to correct the name of molecule and crop.
8.11	Consideration of request of M/s Rallis India Pvt. Ltd., for expansion of bio-efficacy claim of <i>Flubendiamide 20% WG</i> in Sugarcane u/s 9(3).
	Committee deliberated the agenda and Approved subject to fixation of MRL for controlling of Early shoot borer on Sugarcane. A condition may be incorporated on the label and leaflet that the product is toxic to fish and aquatic invertebrate and thus the product containing the molecules may be avoided near aquaculture.
8.12	Consideration of request of M/s Parijat Industries India Pvt. Ltd., for expansion of bio-efficacy claim of <i>Pyriproxyfen 10% w/w EC</i> on Okra and Brinjal u/s 9(3).
	Committee deliberated the agenda and Approved for controlling of Whiteflies & Jassids on Brinjal and Okra. A condition may be incorporated on the label and leaflet that the product is toxic to fish and aquatic invertebrate and thus the product containing the molecules may be avoided near aquaculture.
8.13	Endorsement for additional primary packing 60 g (5 tablets) capacity in aluminium can (flask) and CFB box of 15.36 kg capacity as transport packing in the registration certificate of the product <i>Aluminium phosphide 15% tab</i> (12 g tables)
	The committee deliberated the comments on toxicology expert in detail and approved the packaging.
8.14	Request of 1 registration certificate of <i>Thiram Technical 95% min.</i> for indigenous manufacture from M/s Sun pesticides Pvt. Ltd., to M/s Central Insecticides and Fertilizers.
	Committee deliberated the agenda and deferred to examine the case with respect to legal aspects.

8.15	Consideration of request of M/s FMC India Pvt. Ltd., for expansion of bioefficacy claim of <i>Carbosulfan 25% EC</i> in Cotton u/s 9(3).
	Committee deliberated the agenda and Approved subject to fixation of MRL for controlling of Aphids & thrips on Cotton and Shoot & fruit borer on Brinjal. Three conditions may be incorporated on the label and leaflet: <ol style="list-style-type: none"> 1. The product being toxic to honey bees and thus should not be applied during active honey bees foraging period of the day. 2. The Product is very toxic to aquatic organism hence should not be used near water bodies, aquaculture/pisciculture area. 3. The product is toxic to birds.
9.0	<u>MISCELLANEOUS ITEMS</u>
9.1	Request for import of sample quantity of coded product No. BCS-CN 88460 200 SC from M/s Bayer AG, Germany.
	Committee deliberated the agenda and approved for import of sample quantity of coded pesticides BCS-CN 88460 200 SC for 49 liter for RTT purpose.
9.2	Request for import of sample quantity of coded product No. XDE 659 Technical from M/s Dow Agro Science R and D labs 9330 Zionsville Road Indianapolis, IN 46268 USA.
	Committee deliberated the agenda and approved for import of sample quantity of coded pesticides XDE 659 Technical for 16 kg for RTT purpose.
9.3	Request for import of sample quantity of coded product No. XDE 659 100 SC from M/s Dow Agro Science R and D labs 9330 Zionsville Road Indianapolis, IN 46268 USA.
	Committee deliberated the agenda and approved for import of sample quantity of coded pesticides XDE 659 100 SC for 92 liter for RTT purpose.
9.4	Revision of MRL values of <i>Hexaconazole</i> on Tea fixed by FSSAI.
	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.5	Revision of MRL values of <i>Propiconazole</i> on Tea fixed by FSSAI.
	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.6	Consideration of application for import permits other than for Boric Acid for non-insecticidal use.
	Committee deliberated the agenda and approved as per Annexure- 9.6.1
9.7	Consideration of application for import permits for Boric acid for non-insecticidal use.

	<p>Committee deliberated the agenda and approved as per Annexure- 9.7.1 with the following remarks:</p> <p>“In many cases, it has been noticed that there are certain variations in the quantity applied, the quantity recommended by the nodal ministry vis-à-vis average import done by the applicants during last three years. Hence the RC in its wisdom decided to permit a justifiable quantity to be imported by various applicants as per annexure. RC further decided that verification of facts if any may be conducted by the Secretariat of CIB&RC as and when required.”</p>
9.8	Consideration of application for enhancement of shelf life under section 9(4).
	Committee deliberated the agenda and approved as per Annexure- 9.8.1
9.9	Consideration of an application of M/s Specialty Organics Pvt. Ltd., for grant of additional source for indigenous manufacture of biocides.
	Committee deliberated the agenda and agree to add additional source of their registration certificate i.e. M/s Meghmani Industries Ltd.
9.10	Consideration of application for import/indigenous manufacturing permits for Biocides used in paint by Paint Industries.
	Committee deliberated the agenda and approved as per Annexure- 9.10.1
9.11	Consideration of request of M/s Krishi Rasayan for enhancement of validity of registration for import of Acetamiprid Technical 99% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Acetamiprid Technical 99% w/w min. up to 07.01.2023.
9.12	Consideration of request of M/s Tropical Agrosystem (India) Pvt. Ltd., for enhancement of validity of registration for import of Buprofezin Technical 98% w/w min. u/s 9(3) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the

	validity of the certificate for Buprofezin Technical 98% w/w min. up to 03.01.2023.
9.13	Consideration of request of M/s Crystal Crop Protection Ltd., for enhancement of validity of registration for import of Acetamiprid Technical 99% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Acetamiprid Technical 99% w/w min. up to 20.11.2022.
9.14	Consideration of request of M/s Krishi Rasayan for enhancement of validity of registration for import of Buprofezin Technical 98% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Buprofezin Technical 98% w/w min. up to 03.01.2023.
9.15	Consideration of request of M/s Saraswati Agro Chemicals (India) Pvt. Ltd., for enhancement of validity of registration for import of Cartap hydrochloride Technical 98% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Cartap hydrochloride Technical 98% w/w min. up to 06.03.2022.
9.16	Consideration of request of M/s Darrick Insecticides Ltd., for enhancement of validity of registration for import of Cartap hydrochloride Technical 98% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found

	not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Cartap hydrochloride Technical 98% w/w min. up to 06.03.2022.
9.17	Consideration of request of M/s Hindustan Rasayan Pvt. Ltd., for enhancement of validity of registration for import of Cartap hydrochloride Technical 98% w/w min. u/s 9(4) TI.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Cartap hydrochloride Technical 98% w/w min. up to 06.03.2022.
9.18	Follow up action for the decision taken by the Registration Committee in its 384th meeting held on 16th January, regarding minor change in formulations of pesticides.
	The member secretary of the committee on minor change briefed RC about the deliberation the sub-committee in its last meeting held on 07.05.2018 under the chairmanship of Dr. Harmeet Singh Rehan. The RC agreed to the suggestion of the sub-committee to call the Pesticides Association during the next meeting of the sub-committee for certain clarification on inert material etc. Further, RC also agreed to co-opt the following experts by the sub-committee: <ol style="list-style-type: none"> 1. Dr. Subhash Kumar, DD(WS), CIPMC, Nagpur – Co-opt Member. 2. Dr. K. W. Dshkar, DD (E), CIB&RC, Faridabad. 3. Sh. Avnish Tomar, AD (Chem), CIB&RC, Faridabad.
9.19	The applicant has submitted application for the import of sample quantity of 24 kg of TVE 29 (TVE 29 Technical 95%) coded herbicide.
	Committee deliberated the agenda and approved for import of sample quantity of coded pesticides TVE 29 (TVE 29 Technical 95%) for 24 kg for RTT purpose.
9.20	Revision of MRL values of Flubendamide 20% WG on Tea fixed by FSSAI.
	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.21	Revision of MRL values of Quinalophos 25% EC on Tea fixed by FSSAI.
	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.22	Revision of MRL values of Emamectin benzoate on Tea by FSSAI.

	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.23	Revision of MRL values of Fenpyroximate on Tea fixed by FSSAI.
	Committee deliberated the agenda and approved for re fixation of MRL on Tea.
9.24	Consideration of request of M/s Atul Ltd., on restriction of import of Propoxure Technical from the source M/s Sandat (S) Pvt. Ltd., Singapore.
	The committee deliberated the agenda and directed the Secretariate of CIB&RC that a communication may be sent to DNA, Singapore for providing the registration status of M/s Sandat (S) Pvt. Ltd., Singapore for Propoxure Technical.
9.25	Consideration of representation of M/s Crop Care Federation of India for the data generated in farmers filed by SAUs/ICAR institute.
	Committee deliberated the agenda and not accepted the request for data generated in farmers filed.
9.26	The applicant has submitted for the import of sample quantity of 70 liter of BAS 433 11H (herbicide) coded herbicide.
	Committee deliberated the agenda and approved for import of sample quantity of coded pesticides BAS 433 11H for 70 liter for RTT purpose.
9.27	List of pending files of Export/Star export category u/s 9(3).
	RC deliberated the agenda and decided to close the files which are pending for response from the applicant w.r.t. the deficiencies conveyed for more than six months at Annexure – 9.27.1 . However, RC advised that Secretariat of CIB&RC may give one month time from the date of display of list for the applicants to revive their case if desired.
9.28	Committee report on framing the guidelines for registration of TIM (by the original registrant under formulation import (FI) category with additional manufacturing site in India.
	This agenda shifted to Government Business Agenda Item No. 3.5
9.29	Change of crop and pest name.
	Committee deliberated the agenda and agreed to correct the name of crop and pest.
9.30	Consideration of a request of M/s UPL Ltd., for extension of validity of their CR in respect of Cyazofamide 34.5% SC.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is <i>sub-judice</i> . Accordingly, after deliberation it was

	decided that an affidavit from the applicant be obtained as to whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. If the applicant found not possessing the registration for indigenous manufacture, RC agreed to extend the validity of the certificate for Cyazofamide 34.5% SC up to 01.07.2020.
9.31	Application received by CIB&RC approval of laboratory for pesticides Testing.
	Committee deliberated the agenda and approved the laboratory for M/s Sygenta Biosciences Pvt Ltd, Goa with reference to packaging parameters.
9.32	Consideration of application for enhancement of shelf life under section 9(4).
	Committee deliberated the agenda and approved as per Annexure- 9.32.1
9.33	Application received by CIB&RC approval of laboratory for pesticides Testing.
	Committee deliberated the agenda and approved the quality assurance laboratory, Rallis India Ltd, Lakhigam, Gujarat with reference to chemistry and packaging parameters.
10.0	Online filling of application for registration under different categories
10.1	Consideration of application u/s 9(4) FIM category received only by complete On-line system.
	The Agenda was deliberated in detail & all the complete cases were approved as proposed in Annexure – 10.1.1 of the agenda. All the cases under section 9(4) must be issued after conforming the fixation of MRL for the product.
11.0	Any other item with the Permission of Chair
11.1	Request of applicants to revive the closed applications on account of delayed/non submission of deficiency reply.
	The RC considered the issue and observed that in the interest of justice and equity the closed applications of the concerned applicants may be revived on submission of reasonable justification for the delay in submission. Further, the RC decided to process the applications as per que.
11.2	Submission of Report on Development of “Guidelines for the Registration of Biocide and Biocide Products (Manufacturing Use Products) along with the Guidelines for the Registration of Biocide and Biocide Products (Manufacturing Use Products)
	RC in its various meetings had constituted a Sub-Committee under the chairmanship of Dr. P. K. Chakraborty ADG (PP) to frame guidelines for registration of biocides/insecticides for use in paints. The Sub-committee submitted its final report along with the framed Guidelines to the RC Annexure 11.2.1.

	<p>RC discussed the guidelines and felt that formulating guidelines for use of biocides without devising complete protocols for bioassay will not serve the purpose of regulation. It was therefore decided that a Sub-Committee may be constituted to finalize the bioassay protocols. RC constituted a Sub-Committee comprising following:</p> <ol style="list-style-type: none"> i) Dr. Gautam Chatterjee, JD (PP) – Chairman ii) Ms. Kamlesh Miglani, DD (Chem) – Member iii) Dr. Kiran W. Deshkar, DD (Ento.) – Member Secretary <p>RC directed the Committee to submit the protocols within a month.</p>
11.3	Innovative Green Nano formulation and its request for registration exemption
	<p>RC in its 378th meeting had constituted a committee to frame the guidelines for plant origin/herbal product and also for the products containing Nano particles. RC re-constituted the committee as follows:</p> <ol style="list-style-type: none"> 1. Dr. Sushil K. Khurana, Consultant (Path) - Chairman 2. Dr. Sandhya Kulshrestha, Consultant (Pharma) - Member 3. Dr. Subhash Kumar, DD (WS) - Member 4. Dr. P. K. Patanjali, Scientist (H), IPFT, Gurugram – Member 5. Dr. Anupama, Head, Agrochemical Division, IARI - Member 6. Dr. Archana Sinha, JD (Chem.), - Member Secretary <p>The committee may co-opt experts as and when required. The committee shall submit its report to RC within two months.</p>
11.4	One time import of atleast 20 kg of 1-MCP for post harvest treatment of Apple.
	<p>M/s Tropical Agro Systems (I) Pvt. Ltd., has requested to permit one time import of 1-methylcyclopropane (1-MCP) for post harvest treatment of Apple fruits to enhance their storage quality and extend the shelf life thereby maintaining the quality of Apples and minimize the losses considerably. The firm has informed that this product is registered in 45 countries like USA, EU, Australia, Japan, Canada etc. The applicant has also informed that the Smart Fresh Technology based on 1-MCP has extremely low mammalian and environmental toxicity, no harmful residues, does not have an unpleasant odour and is approved as a bio-pesticide in USA.</p> <p>The applicant has furnished the copy of the Letters from Government of Himachal Pradesh, Government of Uttarakhand and Director Horticulture, Government of J&K in support of their request to give approval for one time import of Smart Fresh 3.3% VP besides the recommendation from Himachal Pradesh Cold Chain Association. RC was informed that the application of M/s Tropical Agrosystem (I) Pvt. Ltd., for registration of 1-MCP is being evaluated on a Fast Track basis as per the decision taken in 387th meeting in the RC.</p> <p>The agenda was deliberated and considering the recommendations of State Government of Himachal Pradesh, Uttarakhand and J&K, RC decided to allow import of 20 kg of 1-MCP by the applicant for large scale field trial purposes subject to approval from</p>

	DAC&FW. Accordingly, RC directed secretariat of CIB&RC to take up the matter with DAC&FW.
11.5	<p>Submission of report by the expert committee on requirement for registration of <i>Paecilomyces lilacinus</i> Strain PL-01</p> <p>In compliance to the RC decision, the expert committee under the chairmanship of Dr. P. K. Chakrabarty, ADG (PP) submitted its report regarding requirements for grant of registration for indigenous manufacture of <i>Paecilomyces lilacinus</i>. The chairman of the expert committee presented the report. RC appreciated the efforts of the expert committee. It may be recalled that subject matter experts during the 349th RC meeting held in July 2014 (Item 6.10) reported that <i>Paecilomyces lilacinus</i>, PL-01 was clear from bioefficacy, chemistry, toxicity, legal and packaging issues. The committee however, decided to call the applicant to make a presentation in the next meeting of the Registration Committee regarding the safety of the product where ADG PP proposed some additional studies that were subsequently considered by the sub-committee in arriving at the recommendations.</p> <p>Based on deliberations in its 388th meeting, RC approved grant of registration to T. Stanes and Co. Ltd for indigenous manufacture of <i>Paecilomyces lilacinus</i> PL 01, 1.15% WP u/s 9(3) for control of root knot nematodes (<i>Meloidogyne incognita</i>) on brinjal with following conditions. The applicant must submit:</p> <ol style="list-style-type: none"> i) A strain of primary culture of <i>P. lilacinus</i> strain PL-01 with ICAR-NBAIM for DNA finger printing and long-term storage. ii) A second set of controlled temperature study at NBAIM, Mau to show that the strain ceases to grow at temp above 35°C. iii) A second set of intraperitoneal pathogenicity and eye irritation test from a GLP laboratory in support of its biosafety. iv) A second set of studies on paecilotoxin production from a DSIR/ NABL accredited/ Govt approved laboratory. v) MLST data from ICAR-NBAIM/CSIR Mau to determine recombination rate. vi) Four set of clinical reports of its workers by a panel of medical experts (comprising of ophthalmologist and ENT specialists from a recognized hospital) conducted on quarterly basis. <p>Data on studies at Sr No i and ii may be submitted within 6 months while that at Sr No iii to vi may be submitted within 1 year. Failure to submit the data within the stipulated time will result in cancellation of registration without any notice.</p> <p>Precautions to be observed while using <i>Paecilomyces lilacinus</i> PI-01 strain</p> <p>The <i>P. lilacinus</i> strain PL-01 should be used observing strict precautions to prevent exposure of the users by adopting following precautions:</p> <p>Method of Application</p> <ol style="list-style-type: none"> 1. Fungal suspension may be applied to agricultural soil through drip irrigation, or water in the suspension around base of each plant. 2. If neither of these methods is possible, the formulation may be spray applied to the soil surface around the base of each plant and drenched in afterwards using the irrigation system.

Occupational exposure prevention

1. Immuno-suppressed individuals should not be allowed to handle the fungal strain.
2. Occupational exposure to *P. lilacinus* strain Pl-01 must be minimized by the use of personal protective equipment and a restricted re-entry interval of 4 hours for treated areas.
3. Applicators and handlers must wear goggles, long-sleeved shirt and long pants, waterproof gloves, shoes and socks.
4. Applicators must wear approved respirator with suitable microbial filters.

The studies mentioned above, need to be mandatorily conducted and submitted by all applicants for registration of new strains of *Paecilomyces lilacinus* u/s 9(3) of the Insecticide Act.

Annexure 3.5.1

Guidelines for registration of TIM (by the original registrant under Formulation Import (FI category) u/s 9(3))

Discipline	Data Requirement
(A) General/Legal;	
	(i) Statutory Form-1
	(ii) Agreement of Technology transfer in India
	(iii) Letter of consent from original source/Sponsor of the supplier for utilization of data submitted for registration under FI category.
	(iv) Letter of confirmation/undertaking from original FI registrant for product manufactured at new manufacturing site is of same specifications & quality as that of the registered source for which the data was submitted.
	(v) Affidavit/Declaration confirming the same registered chemical composition.
	(vi) Undertaking/Agreement for adhering to the same manufacturing process provided by original manufacturer under technology transfer.
	(vii) Rational for approval of additional manufacturing site in India.
(B) Chemistry;	
	(i) Same as "A" above
	(ii) Drawl of in-process sample manufactured at the proposed additional source in line with 9(3) & (4) registration drawn sample should be submitted along with the respective reference standards to the CIL for testing & verification.
	(iii) Analytical test report from GLP/NABL accredited Laboratory for identification & Quantification of its identifiable impurities (with relevant chromatogram, spectra etc.) along with other relevant analytical parameters
	(iv) Submission of Technical Sample along with standards for technical and impurities from original source for chemical verification at CIL.
	(v) The samples and the reference standards from original source should be valid at least for a period of six months from the date of delivery to the Sectt. of CIL;
	(vi) Establishment of chemical Equivalence with the date of original source submitted at the time of registration of product under FI registered for import.
	(vii) Information about Raw material used and their source of supply
	(viii) Step-wise Manufacturing Process
	(ix) Shelf Life data (by ASS test).
(C) Toxicity;	
	(i) Same as "A" above
	(ii) Information about Raw material and their source of supply.
	(iii) AMES Test
(D) Packaging;	
	(i) Same as "A" above
	(ii) Type and manner of packaging.
	(iii) Container content capabilities report.
	(iv) Performance of container during storage stability test.
	(v) Transport worthiness test.

	(vi) manner of labelling strictly in compliance with relevant provision of Insecticide Act. 1968 & rule 1971.
	(vii) Shelf Life data (by ASS test).

Total No. of application : 1200

Satisfactory : 1141

Rejected : 59

a. Incomplete submission of required documents i.e. valid manufacturing license ,valid SSI, list of products manufactured in the last two years. BOD/ Incorporation certificate (in case of Pvt. & Ltd. company).

b. Incomplete submission of online Form-I and hardcopy of Form-I, i.e wrong name of applicant and authorized person, wrong address of manufacturing site, wrong entry of product in online Form-I and hardcopy, incorrect/unapproved source of import (in case of FI and TI category. In-situ Production in case of ALP.

c. Submission of application under wrong category.

d. Other issue related to SSI /Manufacturing license

e. CR already issued/MRL not fixed/ banned product.

f. Non submission of required affidavit/Incorrect/ incomplete affidavit.

Annexure 11.2.1

Guidelines for the Registration of Biocide and Biocide Products (Manufacturing Use Products)

Biocidal products are necessary for the control of organisms that are harmful to human or animal health and are required for the control of organisms that cause damage to natural or manufactured materials. These substances usually contains pesticides and can pose risks to humans, animals and the environment due to their intrinsic properties and associated use patterns and hence are required to be regulated under the Insecticide Act, 1968 and the Insecticide Rule, 1971, in order to ensure safety to human, animals and environment.

The purpose of these guidelines is to ensure safety of workers and the general public at large while handling and use of Biocides and products containing biocides and to provide guidance on its regulatory requirements under the Insecticides Act, 1968.

When the sole purpose of incorporation of biocide in the product (paint) is to protect the product (paint) itself, and no label claims are made for inhibiting the growth of micro-organisms which may cause odours or to inhibit the growth of mould and mildews or repelling or killing insects, then such products (paints) do not require registration under the Insecticides Act, 1968.

Guidelines for use of biocide in paint by the paint industry as preservatives to enhance the shelf life of the paints

The biocide (whether technical or formulated biocide product) used in paint by paint industry as preservatives to enhance the shelf --life of the paints and also as dry film preservative are required to be registered under the Insecticides Act, 1968.

Data required for registration of technical and formulated biocide product are annexed (Annexure-I).

1. The TGAI's used in biocide products must be registered under the Insecticides Act.
2. In case of registration of biocide formulated product without registering technical grade pesticide, every biocide product manufacturer / importer is required to declare the source(s) of Biocide-TGAI/s in such products. Complete data of TGAI w.r.t. chemistry, bio efficacy and toxicity must be submitted to CIBRC in case of import/ or indigenous manufacture of biocide product without registering its TGAI.
3. Only CIBRC registered Biocides-TGAI's should be used for manufacture of biocide products. In case the candidate TGAI's also qualify for direct/ indirect usages in agriculture, bio efficacy studies are mandatorily required to be conducted as defined for agricultural pesticides and data submitted for registration to CIBRC. Otherwise bio-

efficacy study on TGAI Biocide/s may be done from the view point of relevant use / application needs of expected antimicrobial-performance in Industrial end-products. As a general principle, tests shall be conducted according to the methods described / recommended by international bodies / CIB&RC. In the event of, lack of an appropriate protocol, appropriately justified methods endorsed/ approved by CIBRC may be used. All toxicological tests should be GLP compliant. Tests on physico-chemical properties and safety-relevant data should be performed according to international standards. Effect of biocides, on environment and surface under protection, bio-efficacy, etc., must be carried out as per the internationally accepted protocols (like ASTM 5589, 5590) / protocols approved by CIB&RC.

4. Paint Industry (as also other industries) must use the CIB&RC registered biocide products at the recommended dosages as per the defined maximum limit of usage of TGAI in the end product/s (especially Diuron and Carbendazim). At present, the set-limit on Diuron is 0.5% w/w of final composition of Paint, and for carbendazim it is 0.1% - 0.5% (w/w). Products containing more than 1000 ppm (0.1%) carbendazim will attract "skull and crossbones" and "dead fish plus dead tree" labels together with the phrases "Toxic and Dangerous for the Environment", "Mutagen Category 2" and "Reprotox Category 2". Paint products with over 0.1% ppm of carbendazim will be restricted for sale to professionals only. However, for other TGAIs if any, concentrations will be specified as per defined maximum limits of usage (documented in the literature/ or as determined based on data generation and approved by CIBRC).
5. Where in no dosage limit has been defined the applicant must provide valid data to evaluate possible effects at species, population or community and ecosystem level. Studies must be carried out in systems representative to habitats to which the product is applied. Important aspects to consider are the use of reference areas, history of the (treated and non-treated) areas, climatic conditions, timing, duration of exposure, frequency, dosage and concentration, distribution in time and location, etc.
6. Biocide Product Manufacturers would be required to provide
 - a. Bio-efficacy data of the antimicrobial products on the performance of a paint film to inhibit the microbial growth by generating the data on the representative sample of commercial paint at the dosage of the Biocide Product at its minimum required level, w.r.t. TGAI contents in the dosed Biocide Product.
 - b. Data to be provided on the actual dosage being recommended as safe dosage to ensure the inhibition of microbial growth on the film and from that what is retained in the paint film w.r.t. TGAI contents after leaching of such paint film by flow of water. Different leaching rates may be required, for example in relation to leaching during the washing of freshly preserved film, leaching from treated film

outdoors with a risk of wetting, leaching from the treated film when washed indoors or otherwise in contact with water during its service life, and volatilisation from the treated film in contact with indoor or outdoor air.

7. No change will be permitted thereafter in the composition of biocide products so-registered (unless under exceptional conditions in accordance with Government policy).
8. Data related to Product-stability and performance under actual usage- have to be generated under Indian Climatic conditions.
9. Biocide (Technical) / Biocide formulated products should follow the labelling requirements as provided under the Insecticides Act, 1968.
10. Labelling on the containers with respect to its composition and specific end use is required to be incorporated on Biocide products.
11. Labelling is mandatorily required on the container when the Registered Biocide Products are present in dosage in excess to the prescribed dosage (Diuron - 0.5% w/w of final composition of Paint, Carbendazim - 0.1% to 0.5% w/w and 0.1 (%)??? for others until the limit is amended based on the generated data/ scientifically documented literature) in exterior and interior decorative Paints/similar products and meant as formulations of Insecticides.
12. No labelling is required if these biocide products are being added in the product as antimicrobials to ensure sufficient surface protection from the likely microbial attack and as per the dosage not exceeding the maximum permissible content of Active ingredients coming from the said biocide products.
13. As the Biocide Industry falls under the realms of the Insecticide Act, 1968, records on the import/ manufacture /consumption of TGAI's in biocide products and formulated must be submitted to CIB&RC monthly and annual basis.

II. Guidelines for registration of biocides OR pesticides to be used in paints for killing or repelling insects with label claim

Following are required for Paint Industry who propose to manufacture Insect Repellent /Killing Paints (pesticide formulation) :

- a. Insect Repellent /Killing Paints (pesticide formulation) are required to be registered under the Insecticides Act as Pesticide Formulation (**Annexure II**).

TI : Technical Import

TIM : Technical Indigenous manufacture

FI : Biocide Formulated product for Import

FIM : Biocide Formulated product for Indigenous manufacture

Annexure – II**Guidelines for registration of biocides or pesticide to be used in paint for killing or repelling insects with label claim.**

1. Manufactured Paints with claims to repel or kill insects, fungus, weeds or any other pesticide claims are considered as pesticide formulations of paint. The pesticides used in such pesticide formulations of paint must be obtained from the source registered under the Insecticides Act, 1968.
2. In case the paint industry wants to import / manufacture indigenously the pesticide for use in paint which are not registered for use in India then they have to take registration for import / indigenous manufacture of technical by submitting data as per guidelines for Technical for import (TI) / TIM u/s 9(3), as the case may be.
3. The data requirement remains the same as that of TI/ TIM u/s 9(3) and under FI/ FIM for registration for use in the country with following special conditions:

S.No	Parameter	Regular Registration U/s 9 (3)

D. Toxicology

1. The insecticides registered with label claim in public health will not be allowed for use in paint formulations. Insecticides will be allowed on case to case basis in consultation with NVBDCP. Therefore, studies are to be initiated with prior permission of Registration Committee.
2. The technical source of the insecticides should be registered with CIBRC. Otherwise, data must be provided on the technical counterpart of the active ingredient intended for use in the formulations.
3. All acute mammalian studies as prescribed in “Guidance Document of Toxicity for the Registration of Pesticides in India” i.e. acute oral – rat, acute dermal, acute inhalation, Primary skin irritation, Mucous Membrane irritation, skin sensitization.
4. Eco-toxicity studies depending on use pattern.
5. The chemical composition of the formulation (Paint) to be disclosed under the affidavit and Material Safety Data Sheet (MSDS)/Safety Data Sheet (SDS) must be provided for each component along with prevailing literature.
6. The applicant must undertake?? a statement?? or certify that no component present in formulation (Paint) are known to cause Carcinogenicity, Teratogenicity (Developmental toxicity) and effect on reproduction and other chronic disorders to human beings at the dosages/ concentration in use.
7. The persistence of the pesticides in the paint, rate of degradation during use along with residue data in paint scrap, for the shelf life period
8. Use pattern of the paint with intended insecticide across the globe and its registration status with label claims.
9. The air concentration of insecticide in the air near the painted surface at different time interval.
10. Human and environmental toxicity information from foreign countries with use of insecticidal paint.
11. Specify the use pattern of these paints in the country and mention how publicity will be done if, allowed to use.

12. Label and leaflets as per Insecticides Rules 1971 supported by Safety related issues to be provided.
