

MINUTES OF 397th MEETING OF REGISTRATION COMMITTEE HELD ON 30.01.2019 and 04.02.2019 IN THE COMMITTEE ROOM NO. 1, ICAR, KRISHI BHAWAN, NEW DELHI.

The 397th Meeting of Registration Committee (RC) was held under the Chairmanship of Dr. S. K. Malhotra, Agriculture Commissioner on 30.01.2019 and 04.02.2019 at 10:00 AM in Committee Room No. 1, ICAR, Krishi Bhawan, New Delhi. Dr. P. K. Chakarbarty, ADG (PP), ICAR, Krishi Bhawan, New Delhi; Sh. Rajesh Malik, Plant Protection Advisor, Directorate of PPQ&S, Faridabad (attended on 30.01.2019) : Dr. Harmeet Singh Rehan, Director Professor and Head, Lady Hardinge Medical College, New Delhi, (attended on 04.02.2019); Dr. K. K. Sharma, Project Coordinator, AINP on Pesticides Residue, Division of Agriculture, IARI, New Delhi (attended on 04.02.2019); Dr. Rohit Mishra Assistant Industrial Advisor, M/o Chemicals and Fertilizer, Shastri Bhawan, New Delhi (attended on 30.01.2019), and Dr. Sushil K. Khurana, Secretary, CIB&RC, Faridabad attended the meeting. Following officers from the Secretariat of CIB&RC also attended the meeting to present their agendas and advises as and when required/or volunteered to provide the information during the deliberations.

1. Dr. Sandhya Kulshrestha, Consultant (Pharma) (attended on 04.01.2019)
2. Dr. Sarita Bhalla, Consultant (Pharma) (attended on 30.01.2019)
3. Dr. Archana Sinha, JD (Chem.)
4. Dr. Arnav Das Gupta, JD (PP) (attended on 30.01.2019)
5. Sh. Hariom Miglani, Sr. Law Officer (attended on 30.01.2019)
6. Sh. A. Krishna Reddy, DD(WS)
7. Miss Kamlesh Miglani, DD (Chem.) (attended on 30.01.2019)
8. Sh. Kiran W. Deshkar, DD (E)
9. Sh. Niraj Kulshrestha, Law Officer
10. Sh. R. B. Sharma AD (Chem.) (attended on 30.01.2019)

At the outset, the Chairman welcomed Sh. Rajesh Malik, Director (PP) and Dr. Sushil K. Khurana, Consultant (Path) for taking additional charges of Plant Protection Advisor and Secretary, CIB&RC respectively, including other members and recalled the services rendered by Dr. D. D. K. Sharma and requested Secretary, CIB&RC, to take up the Agendas for deliberation. RC was further apprised that due to unavoidable circumstances some agendas which were already in the pipelines has been brought as additional compilation for deliberations. The following decisions were taken.

<u>Agenda item No.</u>	<u>Particulars of Agenda</u>

1.0	Confirmation of minutes of the 395th and 396th RC meeting of the Registration Committee.
	<p>The RC deliberated the minutes of 395th RC and 396th Meetings and confirmed the minutes with following amendments :-</p> <ol style="list-style-type: none"> 1. The validity period may be read as 02.05.2022 in place of 15.04.2019 in Agenda Item No. 9.4 of 395th RC meeting. 2. List of files closed by Secretariat and approved by RC vide Agenda Item No. 9.18 of 395th meeting is displayed at Annexure 1.0.1. 3. With reference to Agenda Item 3.1 of 395th meeting RC directed CIB&RC to revisit the Kerala High Court Order at level of Secretariat and bring before the RC with necessary amendments. 4. The comments received from one of the members on Agenda item No. 6.1 of 395th RC meeting regarding further toxicity data requirement on Teratogenicity and Cellular immune response were discussed and it was decided that Dr. Harmeet Singh Rehan, Director Professor and Head, Lady Hardinge Medical College, New Delhi the toxicity member of RC and Dr. Sandhya Kulshrestha Consultant (Pharma), Directorate of PPQ&S, Faridabad will review the issue and come up with the comments in one week time. The RC further decided that MRL fixation is not required and certificate of registration should be issued on receipt of above clarification accordingly.
1.1	Follow up action
	The follow up actions on the decisions of the 395 th and 396 th RC meeting were informed to the committee and was noted with satisfaction. The RC further decided that the comments received from stake holders on Crop Grouping and Protocols for Persistence studies would be compiled in a tabular form and be placed before RC in the next meeting.
2.0	<u>Presentation</u>
	NIL
3.0	<u>Government Business</u>
3.1	Towards achievement of 100% Computerization in receiving the files and other documents for the scrutiny at Secretariat of CIB&RC.
	The RC accepted the proposal for allocation of slot in the existing online system w.r.t. “other categories” for uploading the applications relating to pesticides for dual use purposes and other related matters and also for online applications, where applicants are finding difficulties in uploading. This should be treated as an interim arrangement till the development of specific portal system. The final Certificates and/or Endorsement letters will be generated in hard copies and same would be electronically transmitted to the

	<p>respective applicants and it will be treated as an authentic document for the purposes of the Insecticides Act, 1968 and Rules, 1971.</p> <p>The committee also decided that to expedite the process of incorporating the applications for pesticide for multiple purposes and other related matters into the CROP system, a meeting may be convened with JS (PP &IT), NIC and Directorate of PPQ&S.</p>										
3.2	<p>Implementation of new regulation of lead contents in household and decorative paints rules, 2016 of MOEF & CC.</p> <p>RC deliberated the agenda and constitute a committee comprising following :</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 60%;">1) Dr. Sandhya Kulshrestha, Consultant (Pharma)</td> <td style="width: 40%;">Chairperson</td> </tr> <tr> <td>2) Ms. Kamlesh Miglani, JD (Chem)</td> <td>Member</td> </tr> <tr> <td>3) Sh. V. Vasu, DD(Chem)</td> <td>Member Secretary</td> </tr> </table> <p>The committee shall examine the implementation of new regulation of lead contents in decorative paints rules 2016 of MOEF&CC along with the household pesticides and other pesticide formulations registered under the Insecticides Act, 1968 having lead contents more than 90 ppm.</p> <p>All the stake holders should comply to this notification with immediate effect. The modalities for recalling the certificates/Import permits may also be looked into the group.</p>	1) Dr. Sandhya Kulshrestha, Consultant (Pharma)	Chairperson	2) Ms. Kamlesh Miglani, JD (Chem)	Member	3) Sh. V. Vasu, DD(Chem)	Member Secretary				
1) Dr. Sandhya Kulshrestha, Consultant (Pharma)	Chairperson										
2) Ms. Kamlesh Miglani, JD (Chem)	Member										
3) Sh. V. Vasu, DD(Chem)	Member Secretary										
3.3	<p>Innovative Green Nano formulation and its request for registration exemption.</p> <p>The Member Secretary, Dr. Archana Sinha, JD (Chem) presented the progress report w.r.t. earlier meetings of the committee. During deliberations it was apprised that Dr. Sushil K. Khurana, Consultant (Path) in addition to his commitments with toxicology division has also been given additional responsibilities of Secretary (CIB&RC) and further Dr. Subhash Kumar, DD (WS) has since been transferred to Nagpur and hence felt re-constitution of the committee with following composition :</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 60%;">1) Dr. Sandhya Kulshrestha, Consultant (Pharma)</td> <td style="width: 40%;">Chairperson</td> </tr> <tr> <td>2) Dr. P. K. Patanjali (Retired) Scientist (H), IPFT</td> <td>Member</td> </tr> <tr> <td>3) Dr. Anupama, Head Agro Chemicals Division, IARI</td> <td>Member</td> </tr> <tr> <td>4) Sh. A. K. Reddy, DD(WS), Sectt. of CIB&RC</td> <td>Member</td> </tr> <tr> <td>5) Dr. Archana Sinha, JD (Chem.), Sectt. of CIB&RC</td> <td>Member Secretary</td> </tr> </table>	1) Dr. Sandhya Kulshrestha, Consultant (Pharma)	Chairperson	2) Dr. P. K. Patanjali (Retired) Scientist (H), IPFT	Member	3) Dr. Anupama, Head Agro Chemicals Division, IARI	Member	4) Sh. A. K. Reddy, DD(WS), Sectt. of CIB&RC	Member	5) Dr. Archana Sinha, JD (Chem.), Sectt. of CIB&RC	Member Secretary
1) Dr. Sandhya Kulshrestha, Consultant (Pharma)	Chairperson										
2) Dr. P. K. Patanjali (Retired) Scientist (H), IPFT	Member										
3) Dr. Anupama, Head Agro Chemicals Division, IARI	Member										
4) Sh. A. K. Reddy, DD(WS), Sectt. of CIB&RC	Member										
5) Dr. Archana Sinha, JD (Chem.), Sectt. of CIB&RC	Member Secretary										
3.4	<p>Production/sale data of multiuse chemicals by the indigenous manufacturers.</p> <p>RC decided to refer the case to the Techno Legal Cell, Directorate of PPQ&S for examination.</p>										

3.5	Representation from Home Insect Control Association (HICA) and Agro Chemical Federation of India (ACFI) for giving exempt for collection of used plastic container/PET bottles of Household insecticides due to implementation of plastic waste management Rules.
	RC deferred the agenda for next meeting and decided that the matter may be discussed by Sh. Avnish Tomar, AD (Chem) with Co-opted member of RC from Indian Institute of Packaging and the outcome of the discussion may be apprised to the RC.
3.6	Sale of Nitrobenzene as an insecticide/plant growth stimulant.
	<p>Committee deliberated the agenda and took serious note of the matter and decided that in view of the complaint received from Director of Agriculture, I&QC, Commissionerate of Agriculture, Maharashtra State (Pune) on the product Nitrobenzene, stringent steps be taken to put restrictions on the sale of Nitrobenzene and other such products in the schedule by the traders applying for Import Permission and decided to explore the implications regarding the safety and efficacy of the product which is not evaluated by CIB&RC. Accordingly, the RC decided that the following documents are ought to be furnished by the traders applying for Import Permission as per the existing guidelines to be furnished to the satisfaction of the RC:-</p> <ol style="list-style-type: none"> 1. A joint affidavit on NJSP duly signed by the Seller and the purchaser duly notarized, duly photographed attested by the Notary Public recording the required quantity to be procured and the end use certificate stating the purposes for which sale is intended to be made. 2. Further an oath on affidavit that they shall comply with the provisions of the Insecticides Act, 1968 and Rules made there under and the notifications issued by the Government of India from time to time and the decision of the Registration Committee. Further, if any information furnished, is found to be false in any material particular they shall be liable for legal consequences as per the provisions enshrined in the Insecticides Act, 1968 and other relevant laws for the time being in force. 3. It has also been decided that henceforth no traders shall be eligible to obtain the Import Permissions unless and until the above mandatory requirements are fulfilled in addition to the earlier requirements as per the guidelines.
3.7	Approval of laboratory/institution testing facilities for generating and accepting data for the purpose of registration of pesticides.
	RC deliberated the issue and decided that the comments of Co-opted member of RC, from National GLP Compliance Monitoring Authority (NGCMA) may be obtained and co-opted member may be invited in the next meeting. Dr. Sarita Bhalla will present the status on this issue in next meeting.
3.8	Reference received from DAC&FW to finalize the modalities/ checks and balances for manufacture and export of banned pesticides viz. <i>Dichlorovos, Trizophos and Phorate</i> and to ensure that the production is not available in domestic market.

The committee deliberated the agenda and was informed that discussions were held with the various Pesticide Associations. After discussion the following is proposed:-

1. The stake holders of these molecules can be divided into three broad categories i.e. the holders of
 - (i) Certificate for approved Technical molecules of these products.
 - (ii) Certificate of approved formulations of these products for use in the country.
 - (iii) Certificate of approved Technical/Formulations of these products under Export Onlycategory.
All the certificates of registration under categories (i), (ii) and (iii) above of these products shall be deemed to be cancelled after 01.01.2021.
2. The certificate of registration for these molecules for export shall be granted afresh only on the basis of following :-
 - (i) Confirmed export order from importing country along with the quantity mentioned in the same order.
 - (ii) Manufacture for export of these molecules shall be allowed on the basis of permission in the form of endorsement on certificate of registration from the Secretariat of CIBRC at each time of export.
3. Considering the demand of the members of the associations it has been decided that in case it is not possible to manufacture the same quantity as per the export order because the lot/batch sizes are larger. In such instances, it was agreed to permit the quantity of batch/lot sizes and whenever the next order is received, the balance quantity only will be adjusted for the next export order. However, the onus for non utilization within shelf life period of the product lies with the stake holder.
4. The following check and balances were proposed with no major objections from the stake holders.
 - i) ‘Firm Export Order’ should be accompanied by Certificate of Registration in the country of import.
 - ii) In case of receipt of repeat order, the additional quantity may be get endorsed after submitting the authentic documents from Government Authority regarding export of total quantity permitted earlier.
 - iii) After every export of consignment, documents from concerned Govt. Authority/Custom and Excise/ should be submitted to the Sectt. of CIB&RC as a proof thereof.
 - iv) The information regarding export should be submitted to the State Licensing Authority and the same shall also be submitted to Sectt. of CIB&RC without fail on quarterly basis.
 - v) The State/UTs Government should ensure that no illegal manufacture or siphoning off or diversion of the material meant for “export only” should takes place for its availability/consumption in domestic market.

RC directed Secretariat of CIB&RC to intimate DAC&FW the above check and balances for allowing export of Dichlorovos, Phorate and Triazophos.

3.9	Representation received from Erofins Advinus Ltd., and Crop Life India regarding for consideration and approval of their facility for conduct of field trials applicable to data generation for Residue studies and Persistent studies.
	RC directed to bring the comments in the compiled format.
3.10	Representation received from Crop Care Federation of India and Crop Life India regarding suggestion/comments on representative Crop Group of various crop commodities and proposed data generation scheme for implementation of crop grouping for fixation of sub group MRL.
	RC directed to bring the comments in the compiled format.
3.11	The follow up actions on General Recommendations of Dr. S. K. Malhotra Committee – reg.
	The issue was raised for follow up in any other item. There was discussion on the general recommendations by the Malhotra Committee which relates to several issues pertaining to good policies and practices for risk reduction and maximization of bio-effective results with lessening of un towards incidences during use of pesticides. The RC desired a status paper on these issues be presented to the Committee.
3.12	Registration of biopesticides/botanical products under section 9(3) and abolition of registration under 9(3b) for repeat registration – reg.
	<p>Secretariat apprised that bio-pesticides products are given registration under section 9(3b) and 9(3). These are very safe products, therefore, Government of India took several steps in promoting the use of bio-pesticides. RC has been authorized to provide the provisional registration along with commercialization in the cases of registration of bio-pesticides. While in the case of chemicals pesticides, the commercialization is provided by DAC&FW. RC on satisfaction registers a bio-pesticides for two years and subsequently allows the extension of validity period for three years on yearly basis.</p> <p>Once the product is already registered under section 9(3). There are certain difficulties with repeat registrations under section 9(3b) for bio-pesticides, pheromones and botanical products. Therefore, it is suggested that these products should be registered under section 9(3) where the registrations can be given under two Tier Systems i.e Tier-I and Tier-II. The guidelines for consideration of registration under section 9(3) will be the existing guidelines already laid down for 9(3b) in Tier-I and existing 9(3) guidelines for registration in Tier-II. The committee decided that hence forth repeat registration for same strain/compound of bio-pesticides/botanical products and pheromones should be granted u/s 9(3) instead of 9(3b) considering the fact that these have already been introduced in the country as per relevant provision of the Act and accepted the above suggestion in principle.</p> <p>RC further constituted an expert group comprising following</p>

	<ol style="list-style-type: none"> 1. Dr. P. K. Chakarbarty, ADG (PP) Chairman 2. Director, NAIBM Member 3. Ms. Kamlesh Miglani Member 4. Sh. K. W. Deshkar Member Secretary <p>With the term of reference to evolve modalities for conversation of existing 9(3b) certificates w.r.t. Bio-pesticides, Pheromones and botanical pesticides within the legal frame work of the Insecticides Act, 1968.</p>
3.13	Interpretation of Rule 6 (B) of the Insecticides Rules, 1971 regarding the proposed fees structure for addition, deletion or alteration of the certificate of registration including label and leaflets.
	<p>Members were apprised about the prevalent fee structure for the above purpose i.e. Rs. 100/- for the application irrespective of number of certificates of registration mentioned in the application. Members perused the above provision enshrined under Rules 6 (B) and observed that a fees of Rs. 100/- is chargeable on each occasion for each Certificate of Registration. Therefore, based on this correct interpretation of the above provisions RC felt that it is desirable that henceforth a fees of Rs. 100/- shall be chargeable for any addition, deletion or alternation etc for each Certificate of Registration mentioned in the application for each product (formulation/technical) on each occasion as detailed below: e.g. if an application mentions endorsement/alternation/deletion for two or three certificates of registration in an application the applicant is required to deposit two or hundred rupees respectively.</p> <p style="text-align: center;">DAC&FW may be informed accordingly.</p> <p>RC further desired that hence forth all the applications pertaining to endorsements of each and every category shall be placed before the RC for deliberations and decision.</p>
4.0	<u>Export Cases</u>
4.1	List under section 9(3) Export applications
	<p>The Agenda was deliberated in detail & approved the cases as per Annexure 4.1.1, 4.1.2, 4.1.3, 4.1.4& 4.1.5. The Committee further decided that the applicants of import for export category shall be subjected to the decision taken by the Committee in its 357th meeting.RC decided following:-</p> <ol style="list-style-type: none"> 1. Random cross verification of companies should be taken up by DPPQ&S. 2. Sectt. of CIB&RC to re-visit earlier decision of RC in light of above where import for export cases had been brought. 3. Bio-pesticide association may be called for making a presentation on the export of bio-pesticides with the emphasis on mutual benefit agreement (MBA) with importing country.

4.2	Consideration of application of M/s SLN Pharamachem Ltd., for grant of registration for indigenous manufacture of Warfarin Technical 99.00% w/w min. under section 9(3) Export.
	Warfarin is one of the pesticides withdrawn because of non submission of complete data as per guidelines submitted by pesticide industries. The committee also observed that Warfarin is included as drug in many pharmacopeias including Indian pharmacopeia. In view of this the committee decided that the comments of DCGI may be obtained on the issue because Warfarin Technical can also be used for manufacture of Pharmaceutical preparations. After receipt of comments the matter may be discussed in the Registration Committee in presence of DCGI or its representative.
5.0	<u>9(3B) Cases</u>
5.1	Status of application for grant of registration for indigenous manufacture of bio-pesticides under section 9(3b) and 9(3) of Insecticides Act, 1968.
	RC was apprised that the Insecticides Act, 1968 provides recognition to the pre-registration verification under section 16, carried by various other institutions in addition to Central Insecticides Laboratory. The analyst employed by these institutions are not notified. Matter was deliberated in the RC and decided the representatives of Bio-pesticides Association may be called for presentation and Incharge, Bio-assay division of Central Insecticide Laboratory, Faridabad may also be invited in the next RC meeting regarding the consideration of Analytical Test Report for the samples tested in Mahatama Phule Krishi Vidyapeeth Rahuari, College of Agriculture, Pune for pre-registration verification of bio-pesticides for the applications.
5.2	Consideration of application of M/s Institute of Plant Biotechnology for grant of registration for indigenous manufacture of <i>Bacillus subtilis</i> 1.5% AS formulation under section 9(3b).
	Committee deliberated the agenda and approved.
5.3	Consideration of application of M/s Relegare Agro Life Bio Science Pvt. Ltd., for grant of registration for indigenous Bio-pesticides manufacturing of <i>Verticillium Chlamydosporium</i> 1.0% WP under section 9(3b) (Strain designation : IIHR VC-3 Strain Accession No. ITCC – 6898).
	Committee deliberated the agenda and approved.
5.4	Consideration of application of M/s International Panaaces Ltd., for the 1st extension of provisional registration of <i>Verticillium chlamydosporium</i> 1.0% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.

5.5	Consideration of application of M/s Gujarat Life Science (P) Ltd., for the 1st extension of provisional registration of <i>Pseudomonas fluorescens</i> 1.0% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.6	Consideration of application of M/s Phalad Agro Research Foundation Pvt. Ltd., for the 1st extension of provisional registration of <i>Bacillus thuringiensis var kurstaki</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.7	Consideration of application of M/s Phalad Agro Research Foundation Pvt. Ltd., for the 1st extension of provisional registration of <i>Bacillus thuringiensis var kurstaki</i> 0.5% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.8	Consideration of application of M/s Shri Datta Gro-Tech & Equipment, for the 3rd extension of provisional registration of <i>Verticillium lecani</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and approved with same label claims. No further extension shall be granted.
5.9	Consideration of application of M/s Shri Datta Gro-Tech & Equipment, for the 3rd extension of provisional registration of <i>Beauveris bassiana</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and approved with same label claims. No further extension shall be granted.
5.10	Consideration of application of M/s Maa Bhagwati Biotech & Chemcials, for the 3rd extension of provisional registration of <i>Metarhizium anisopliae</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and approved with same label claims. No further extension shall be granted.
5.11	Consideration of application of M/s Curative Microbes Pvt. Ltd., for the 1st extension of provisional registration of <i>Pseudomonas fluorescens</i> 1.0% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.12	Consideration of application of M/s Devi Biotech Pvt. Ltd., for the 1st extension of provisional registration of <i>Pseudomonas fluorescens</i> 1.0% WP with commercialization.

	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.13	Consideration of application of M/s Kaveri Seed Company Ltd., for the 3rd extension of provisional registration of <i>Metarhizium Anisopliae</i> 2.0% SC with commercialization.
	Committee deliberated the agenda and approved with same label claims. No further extension shall be granted.
5.14	Consideration of application of M/s Surya Bio Products, for the 2nd extension of provisional registration of <i>Pseudomonas fluorescens</i> 1.0% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.15	Consideration of application of M/s Arya Bio Tech & Research Laboratories, for the 1st extension of provisional registration of <i>Metarhizium anisopliae</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.16	Consideration of application of M/s Arya Bio Tech & Research Laboratories, for the 1st extension of provisional registration of <i>Beauveria bassiana</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.17	Consideration of application of M/s Arya Bio Tech & Research Foundation, for the 1st extension of provisional registration of NPV of <i>Helicoverpa armigera</i> 0.5% AS with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.18	Consideration of application of M/s Kan Biosys Pvt. Ltd., for 1st extension of provision registration of <i>Bacillus subtilis</i> (KTSB 1015 1.5% AS) with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.19	Consideration of application of M/s Avadhut Agro Bio-Tech for 1st extension of provision registration of <i>Beauveria bassiana</i> 1.15% WP with commercialization.

	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.20	Consideration of application of M/s Mahatma Phule Krishi Vidhyapeeth for 1st extension of provision registration of <i>Metarhizium anisopliae</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.21	Consideration of application of M/s Institute of Plant Bio Technology for 1st extension of provision registration of <i>Beauveria bassiana</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.22	Consideration of application of M/s Mahatma Phule Krishi Vidyapeeth for 1st extension of provision registration of <i>Beauveria bassiana</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.23	Consideration of application of M/s Institute of Plant Bio Technology, for 1st extension of provision registration of <i>Metarhizium anisopliae</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.24	Consideration of application of M/s Biosay Agrotech Pvt. Ltd., for 1st extension of provision registration of <i>Beauveria bassiana</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.25	Consideration of application of M/s Advance Crop Care India Pvt. Ltd., for 2nd extension of provision registration of <i>Verticillium chlamydosporium</i> 1.15% WP with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.

5.26	Consideration of request of M/s Krishi Biosys for 2nd time extension of validity period of provisional certificate of registration of Pseudomonas fluorescens 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.27	Consideration of request of M/s Allwin Industries for 1st time extension of validity period of provisional certificate of registration of Trichoderma viride 1.5% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.28	Consideration of request of M/s Allwin Industires for 1st time extension of validity period of provisional certificate of registration of Trichoderma harazinum 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.29	Consideration of request of M/s Criyagen Agri & Biotech Pvt. Ltd., for 1st time extension of validity period of provisional certificate of registration of Trichoderma viride 1.5% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.30	Consideration of request of M/s Amar Bio Tech, for 1st time extension of validity period of provisional certificate of registration of Trichoderma harazinum 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
5.31	Consideration of request of M/s Krishi Biosys for 1st time extension of validity period of provisional certificate of registration of Trichoderma harazinum 1.0% WP for one year with commercialization.
	Committee deliberated the agenda and Approved with same label claims. RC also decided that a condition may be incorporated on the extension letter that for further extension if required, the applicant shall submit the proof of progress in data generation from the head of concerned institute/university or Director of research.
6.0	<u>9(3) CASES</u>

6.1	Consideration of application of M/s Willowood Chemicals Pvt. Ltd., for grant of registration for import of <i>Metsulfuron methyl Technical 96% w/w min.</i> under section 9(3) (TI vs TIM).
	<p>RC deliberated the agenda and desired that applicant may be asked to present a position paper on the results of various toxicological parameters including various signs observed and lesions encountered w.r.t. morbid anatomy in acute mammalian studies. RC also desired the following to be presented before the forthcoming RC meeting:</p> <ol style="list-style-type: none"> 1) Physical and chemicals properties observed by CIL. 2) Various certified reference materials w.r.t. various impurities submitted to CIL by the applicant. 3) All the files may be brought physically in the next RC meeting for deliberations and appropriate decision.
6.2	Consideration of application of M/s Dow Agro Science India Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Tricyclazole 20.4% + Azoxystrobin 6.8% SC</i> under section 9(3).
	<p>Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval for control of Blast, False smut, Sheath blight and Grain discoloration (Dirty panicle) on Rice. A condition shall be incorporated on the label and leaflet that Strobilurins are toxic to fish and thus the product containing the molecules be avoided near water bodies and where aquaculture practices are followed.</p>
6.3	Consideration of an application of M/s UPL Ltd., for grant of registration for indigenous manufacture of the product <i>Pretilachlor 30% + Pyrazosulfuron Ethyl 0.75% WG</i> under section 9(3).
	<p>Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval for control of <i>Echinochloa colona</i>, <i>Eluesin indica</i>, <i>Leptochloa chinensis</i>, <i>Eclipta alba</i>, <i>Alternanthera sessile</i>, <i>Parthenium hysterophorus</i>, <i>Cyperus iria</i>, <i>Cyperus defformis</i>, <i>Fimbristylis miliacea</i> on Direct Seeded Rice. A condition shall be incorporated on the label and leaflet that Product is toxic to fish and aquatic organisms it's use shall be avoided near water bodies and where aquaculture practices are followed.</p>
6.4	Consideration of an application of M/s Krishi Rasayan Exports Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Cartap hydrochloride 50% + Buprofezin 10% WP</i> under section 9(3).
	<p>Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval for control of Yellow stem borer, Brown plant hopper, Leaf folder, Green leaf hopper & White backed plant hopper on Rice. A condition shall be incorporated on the label and leaflet that Product is toxic to fish and aquatic invertebrates and thus the product containing the molecules shall be avoided near water bodies and where aquaculture practices are followed.</p>
6.5	Consideration of an application of M/s FMC India Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Sulfentrazone 28% + Clomazone 30% w/w WP</i> under section 9(3).
	<p>Committee deliberated the agenda and Approved for grant of registration and waiting period/pre-harvest interval for control of <i>Digeria arvensis</i>, <i>Commelina benghalensis</i>, <i>Acalypha indica</i>, <i>Corchorus spp.</i>, <i>Echinochloa colonum</i>, <i>Brachiaria spp.</i>, <i>Dinebra spp.</i>, <i>Cyperus rotundus</i> & <i>Parthenium hysterophorus</i> on Soyben; <i>Amaranthus viridis</i>,</p>

	<i>Trianthema spp, Digera arvensis, Physalis spp, Brachiaria spp., Dacryloctenium aegyptium & Cyperus rotundus</i> on Sugarcane. A condition shall be incorporated on the label and leaflet that“Product is toxic to fish and aquatic organisms it’s use shall be avoided nearwater bodies”.
6.6	Status of application of M/s UPL Ltd., for grant of registration for indigenous manufacture of <i>Metolachlor Technical 95% w/w min. (TIM vs TI)</i> under section 9(3).
	Committee deliberated the agenda and deferred, the committee desired to bring complete agenda in next RC meeting with complete facts.
6.7	Application of M/s Shogun Organic Ltd., for registration of Renofluthrin 5% MUP
	The RC was apprised that applicant had applied for extension of period for submitting the response to deficiencies observed during scrutiny of the files and communicated on 30.12.2016. Applicant made the requests on several occasions viz. 21.07.2017, 27.04.2018, 15.10.2018, 26.11.2018 not to close the file in line of the decision of RC wherein the files are closed if response is not received within six months. Finally, the applicant submitted the reply on 01.01.2019. The Committee deliberated the agenda and decided to bring complete agenda and invite applicant for presentation in next RC.
6.8	M/s Krishi Rasayan Exports Ltd., has applied for the registration of <i>Ememectin benzoate 3.7% + Diafenthiuron 46.7% WP</i> u/s 9(3).
	The committee deliberated the agenda and decided that in view of the discrepancy in the Mucus membrane study report and the clarification provided by the GLP laboratory from where data has been generated, for taking observation up to 72 hrs. Only, the matter may be referred to NGCMA for verification of data and co-opted member may be requested to come up with the findings in next RC meeting.
6.9	Consideration of application of M/s Yash Krishi Takniki Evam Vigyan Kendra for grant of registration for indigenous manufacture of <i>Bueauveria bassiana 1.5% WP (Biological pesticide)</i> under section 9(3).
	Committee deliberated the agenda and Approved for control of Gram pod borer (<i>Helicoverpa armigera</i>) in Chickpea Crop.
6.10	Consideration of an application of M/s Adama India Pvt. Ltd., for grant of registration for indigenous manufacture of the product <i>Diafenthiuron 47% + Bifenthrin 9.4% SC</i> under section 9(3).
	Committee deliberated the agenda and deferred for the want of comments on mandatory“Transport Worthiness Test” and same may be presented before RC.
6.11	Consideration of an application of M/s Willowood Chemicals Pvt. Ltd., for grant of registration for import of <i>Tricyclazole Technical 95% w/w min. (TI vs TIM)</i> under section 9 (3).
	RC deliberated the agenda and desired that applicant may be asked to present a position paper on the results of various toxicological parameters including various signs observed and lesions encountered w.r.t. morbid anatomy in acute mammalian studies. RC also desired the following to be presented before the forthcoming RC meeting:

	<ol style="list-style-type: none"> 1) Physical and chemicals properties observed by CIL. 2) Various certified reference materials w.r.t. various impurities submitted to CIL by the applicant. 3) All the files may be brought physically in the next RC meeting for deliberations and appropriate decision.
6.12	Consideration of an application of M/s Bayer Crop Science for grant of registration for indigenous manufacture of the product <i>Thidiazuron 30.51% w/w + Diuron 15.25 w/w SC</i> under section 9(3).
	The agenda was deferred for the want of information on Thiodiazuron Technical.
6.13	Consideration of application of M/s ATGC Biotech Pvt. Ltd., for grant of registration for indigenous manufacture of <i>pheromone based SPLAT PBW formulation (Gossyplure wax formulation)</i> under section 9(3b).
	The Registration Committee deliberated the status of application of M/s ATGC. As the information submitted by the applicant were incomplete therefore, RC decided that the applicant may be asked to submit complete information as per guidelines from all discipline online/through email/ hard copy. RC also directed that this case should be dealt on priority.
6.14	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Metribuzin Technical 95% w/w min.</i> for import under section 9(3) (TI vs TIM).
	RC took note of the information pertaining to the above file and observed that the issues pertaining to Bioefficacy and packaging may also be brought with clarity in the next RC meeting. Further a clarification may be sought from CIL regarding test report of the sample and complete files may be physically brought in the next RC.
6.15	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Thiamethoxam Technical 97% w/w min.</i> for import under section 9(3) (TI vs TIM).
	RC deliberated the agenda and observed, in light of the fact that all the data has been generated at purity 97% though the product is registered at 98% in the source country. Apparently the RC observed that the applicant has not disclosed the true facts for proper appreciation by the RC and it appears that the applicant intended to establish the chemical equivalence in order to avail the benefit of TI vs TIM category. The RC further desired that all the files may be brought physically in the next RC meeting for deliberations and appropriate decision.
6.16	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration for import of <i>Myclobutanil Technical 95% w/w min.</i> under section 9(3) (TI vs TIM).
	RC deliberated the agenda and observed that without any scientific study the applicant has amended the chemical composition of the product. Further in view of the letter from ANA Lab the RC decided to issue a show cause notice to the applicant seeking clarification that

	<p>why your application should not be rejected in view of the non equivalence of data with an attempt to the claim the chemical equivalence with the registrant i.e. M/s Nagarjuna Agrichem.</p> <p>RC further decided to also issue a show cause notice to ANA laboratory, Mumbai for dishonestly facilitating the change of chemical composition.</p>
6.17	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration for import of <i>Chlorpyrifos Technical 97% w/w min.</i> under section 9(3) (TI vs TIM).
	<p>RC deliberated the agenda and observed that the claim for the chemical composition of Chlorpyrifos 97% w/w min. has been provided by the manufacturer himself of the source country and verified by CCPIT for the seal of the company only, which is manufacturing the product. The chemicals composition has not been verified as per the RC guidelines from Designated National Authority (DNA) of the source country as per the establish procedure laid down by the RC. Further, RC desired that the applicant needs to submit a position paper on the results of various parameters on toxicity angle for proper appreciation of the issues to arrive at a logical and scientific conclusion.</p>
6.18	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Acephate Technncal 98% w/w min.</i> for import under section 9(3) (TI vs TIM).
	<p>RC deliberated the agenda and observed that the source from which the product is intended to be imported was valid up to 16.11.2016 as per the information available on the ICAMA website however, the chemical composition of Acephate Technical 98% w/w min. has been provided by the manufacturer on August 25, 2018 himself of the source country and verified by CCPIT for the seal of the company only, which is manufacturing the product. The chemicals composition has not been verified as per the RC guidelines from Designated National Authority (DNA) of the source country as per the establish procedure laid down by the RC. The applicant may be asked to submit a reasonable clarification in this regard and further RC desired to produce all files physically in the next RC meeting.</p>
6.19	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Gibberellic acid Technical 90.00% w/w min.</i> for import under section 9(3) (TI vs TIM).
	<p>The committee deliberated the agenda and observed that the applicant is relying on the dosages use pattern of the product in question however, the RC is of the view that the applicant ought to have relied on the dosages use pattern of the earlier registrant wherein the complete data package had already been examined and approved by Registration Committee, was required to be submitted. In view of the fact that there are certain relaxations in TI vs TIM category and the applicant is claiming the benefit of the same.</p>

	<p>Therefore, before arriving a conclusion the RC desired to constitute a committee comprising following :-</p> <ol style="list-style-type: none"> 1. Head Physiology Department. 2. Dr. Archana Sinha, JD (Chem) CIBRC 3. Sh. A. K. Reddy, DD(WS), CIBRC <p>To re-examine the bioefficacy issues related to dosages.</p>
6.20	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Fipronil Technical 96% w/w min.</i> for import under section 9(3) (TI vs TIM).
	RC deliberated the agenda and observed that the claim for the chemical composition of Fipronil Technical 96% w/w min. has been provided by the manufacturer himself of the source country and verified by CCPIT for the seal of the company only, which is manufacturing the product. The chemicals composition has not been verified as per the RC guidelines from Designated National Authority (DNA) of the source country as per the establish procedure laid down by the RC. Further, the committee also desired that the comments from packaging discipline should also be brought in the next meeting. Accordingly, RC desired to produce all files physically in the next RC meeting.
6.21	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Imidacloprid Technical 96.00% w/w min.</i> for import under section 9(3) (TI vs TIM).
	RC deliberated the agenda and observed, in light of the fact that all the data has been generated at purity 96% though the product is registered at 97% in the source country. Apparently the RC observed that the applicant has not disclosed the true facts for proper appreciation by the RC and it appears that the applicant intended to establish the chemical equivalence in order to avail the benefit of TI vs TIM category. The RC further desired that all the files may be brought physically in the next RC meeting for deliberations and appropriate decision.
6.22	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Fenpyroximate Technical 98.5% w/w min.</i> for import under section 9(3) (TIT vs TIM).
	RC deliberated the agenda and observed that RTT permit was requested for Fenpyroximate Technical 98% min. for generation of data issued on 25.04.2012 while the application for registration submitted under TI vs TIM category dated 31.12.2014 was for Fenpyroximate Technical 98.5% w/w min. on the basis of the earlier registrant registered at purity 98.5% w/w min. The applicant may be asked to clarify. Further the mutagenicity studies as per the guidelines have not been submitted by the applicant rather the applicant has requested to waive of the requirement of the mutagenicity studies. In this context RC decided that the applicant should submit the actual physical sample of the

	product in question i.e. Fenpyroxiamte Technical for its analysis in Central Insecticide Laboratory (CIL) first so as to arrive at an appropriate decision.
6.23	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Diafenthiuron Technical 96% w/w min.</i> for import under section 9(3) (TIT vs TIM).
	RC deliberated the agenda and apparently observed that the source from which the product is intended to be imported was valid up to 11.05.2014 as per the information available on the ICAMA website. Therefore, RC is of the view that without further entering into the merits of the matter, the applicant may be asked to clarify that as to why the application for registration from the source whose validity has already been expired in 2016 should be considered for grant of registration. Further, RC desired to produce all files physically in the next RC meeting including comments from packaging, bio-efficacy and toxicology.
6.24	Status of application of M/s Crystal Crop Protection Pvt. Ltd., for grant of registration of <i>Chlorothalonil Technical 96% w/w min.</i> for import under section 9(3) (TIT vs TIM).
	<p>RC deliberated the agenda and recalled that following decision was taken on the application of M/s Crystal Crop Protection Pvt. Ltd., wr.t. the above product had already being disapproved in the 392nd RC meeting held on 29.08.2018. The decision reads as under :</p> <p><i>‘Committee deliberated the agenda and did not approve as it observed variation in the purity of the product with that of registered in the source country. The product is registered at higher purity (98.5%) in the source country whereas the claim made by the applicant is 96% w/w min. Moreover, variations were observed in toxicity studies also w.r.t. acute inhalation and skin and eye irritation studies also as compared to the published / reported information.’</i></p> <p>RC took a serious view that when the application of the applicant was not approved as per the above decision the applicant is deliberately attempting to mislead the RC and applied for the extension of the validity of import permit w.r.t. the same product vide letter dated 25.10.2018 with the reason “to extend the validity of import permit or permitted to import the that the said quantity of sample of Chlorothalonil Tech. enabling us to generate data and clear the deficiency raised by expert / CIB&RC”.</p> <p>Hence, the RC desired to grant an opportunity to the applicant and decided that the applicant may be called for presentation on this specific issue in the next meeting.</p>
7.0	<u>9(4) TIM CASES</u>
7.1	Consideration of application of M/s Indofil Industries Ltd., for grant of registration for indigenous manufacture of <i>Thiophanate methyl Technical 94% w/w min.</i> under section 9(4) TIM.

	Committee deliberated the agenda and deferred for the want of clarification regarding chemical equivalence of the product with earlier registrant from the Chemistry discipline.
7.2	Consideration of application of M/s Crystal Crop Protection Ltd., for grant of registration for indigenous manufacture of <i>Pendimethalin Technical 90% w/w min.</i> under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Pendimethalin Technical 90% w/w min. on the basis of establishment of chemicals equivalence with M/s Rallis India Ltd., already registered u/s 9(3) of the Insecticides Act, 1968. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.3	Consideration of application of M/s Godvari Farm Chemicals Industries Ltd., for grant of registration for indigenous manufacture of <i>Imidacloprid Technical 94% w/w min.</i> under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Imidacloprid Technical 94% w/w min. on the basis of establishment of chemicals equivalence with M/s Rallis India Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved by the RC in its 216 th meeting held on 08.11.2001. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.4	Consideration of application of M/s GSP Crop Science Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Paclobutrazole Technical 95.00% w/w min.</i> under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>Paclobutrazole Technical 95.00% w/w min.</i> on the basis of establishment of chemicals equivalence with M/s Cheminova India Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 365 RC held on 22.04.2016. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.5	Consideration of application of M/s Agrisol India Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Metribuzin Technical 88% w/w min.</i> under section 9(4) TIM.
	Committee deliberated the agenda and deferred for want of clarification on chemicals equivalence as claimed by the applicant.
7.6	Consideration of application of M/s Best Crop Science LLP for grant of registration for indigenous manufacture of Copper oxychloride Technical (<i>Copper content 57% by mass min.</i>) under section 9(4) TIM.

	<p>Committee deliberated the agenda and decided to ask the applicant to submit revised form-I and label/leaflet giving the purity of the product Copper oxychloride 98% min. containing Copper contents 57% min.</p> <p>RC further decided that the case which was approved earlier 395 RC vide Agenda Item No. 7.1 also submit the Form-I and label/leaflet on the similar ground.</p> <p>Accordingly, title of the agenda was also amended to reveal Copper content 57% by mass min. RC further decided that all such certificates already issued should be revisited at the level of Secretariat and RC may be apprised of the same.</p>
7.7	Consideration of application of M/s Canary Agro Chemicals Pvt. Ltd., for grant of registration for indigenous manufacture of Copper oxychloride Technical (<i>Copper content 57% by mass min.</i>) under section 9(4) TIM.
	<p>Committee deliberated the agenda and decided to ask the applicant to submit revised form-I and label/leaflet giving the purity of the product Copper oxychloride 98% min. containing Copper contents 57% min</p> <p>RC further decided that the case which was approved earlier 395 RC vide Agenda Item No. 7.1 also submit the Form-I and label/leaflet on the similar ground.</p> <p>Accordingly, title of the agenda was also amended to reveal Copper content 57% by mass min. RC further decided that all such certificates already issued should be revisited at the level of Secretariat and RC may be apprised of the same.</p>
7.8	Consideration of application of M/s Best Crop Science LLP, for grant of registration for indigenous manufacture of 2,4-D ethyl Ester Technical 97% w/w min. under section 9(4) TIM.
	<p>Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>2,4-D ethyl Ester Technical 97% w/w min.</i> on the basis of establishment of chemicals equivalence with M/s Atul Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968</p> <p>The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.</p>
7.9	Consideration of application of M/s Godrej Agrovet Ltd., for grant of registration for indigenous manufacture of Cymoxanil Technical 98% w/w min. under section 9(4) TIM.
	Committee deliberated the agenda and deferred for want of clarification on chemicals equivalence as claimed by the applicant.
7.10	Consideration of application of M/s Nagarjuna agrichem Ltd., for grant of registration for indigenous manufacture of Tebuconazole Technical 95% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of <i>Tebuconazole Technical 95% w/w min.</i> on the basis of establishment of chemicals equivalence with M/s Excel Crop Care Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 339 th RC held on 29.05.2013.

	The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”.
7.11	Consideration of application of M/s Agrisol (India) Pvt. Ltd., for grant of registration for indigenous manufacture of <i>Tebuconazole Technical 95% w/w min..</i> under section 9(4) TIM.
	The committee deliberated the agenda and decided that the results of AMES test may be compared from the 9(3) registrant by the concerned toxicity expert and apprise to the RC for final decision in the forth coming RC meeting. The suggestion of Secretariat was not accepted because the label claims and MRL of the product shall be verified by the concerned Bio-efficacy experts therefore, the agenda w.r.t. to MRLs and in addition to that label claims should be brought to the RC for information and record.
7.12	Consideration of application of M/s Omega Fine Chemicals, for grant of registration for indigenous manufacture of <i>Paclobutrazole Technical 95% w/w min.</i> under section 9(4) TIM.
	The committee deliberated the agenda and decided that the results of AMES test may be compared from the 9(3) registrant by the concerned toxicity expert and apprised to the RC for final decision in the forth coming RC meeting. The suggestion of Secretariat was not accepted because the label claims and MRL of the product shall be verified by the concerned Bio-efficacy experts therefore, the agenda w.r.t. to MRL and label claims should be brought to the RC for information and record.
7.13	Consideration of application of M/s India Pesticides Ltd., for grant of registration for indigenous manufacture of <i>Tricyclazole Technical 98% w/w min.</i> under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Tricyclazole Technical 98% w/w min. on the basis of establishment of chemicals equivalence with M/s Nagarjuna Agri Chem Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 208 th RC held on 04.01.2001. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”
7.14	Consideration of application of M/s Ichiban Crop Science Ltd., for grant of registration for indigenous manufacture of <i>Tebuconazole Technical 95% w/w min..</i> under section 9(4) TIM.

	The committee deliberated the agenda and decided that the results of AMES test may be compared from the 9(3) registrant by the concerned toxicity expert and apprised to the RC for final decision.
7.15	Consideration of application of M/s Astec Life Science Ltd., for grant of registration for indigenous manufacture of Propargite Technical 90% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Propargite Technical 90% w/w min. on the basis of establishment of chemicals equivalence with M/s Indofil Chemicals Company, already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 315 RC held on 22.02.2011. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”
7.16	Consideration of application of M/s Crimsun Organics Pvt. Ltd., for grant of registration for indigenous manufacture of Fipronil Technical 92% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Fipronil Technical 90% w/w min. on the basis of establishment of chemicals equivalence with M/s Gharda Chemiclax Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 240 th RC held on 04.11.2003. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”
7.17	Consideration of application of M/s Agrisol (India) Pvt. Ltd., for grant of registration for indigenous manufacture of Acetamiprid Technical 99% w/w min. under section 9(4) TIM.
	Committee deliberated the Agenda & approved the registration for indigenous manufacture of Acetamiprid Technical 99% w/w min. on the basis of establishment of chemicals equivalence with M/s Gharda Chemicals Ltd., already registrant u/s 9(3) of the Insecticides Act, 1968 approved in 238 th RC held on 12.09.2003. The committee further decided that a condition to be incorporated on the CR, “that the CR will be treated as deemed invalid in case the NMR report from CIL is found unsatisfactory”
8.0	<u>ENDORSEMENT CASES</u>
8.1	M/s BASF India Ltd., has submitted application for registration of Fungicide Metiram 70% WG for label expansion in Paddy.

	Committee deliberated the agenda and approved subject to fixation of MRL for controlling of Blast (<i>Magnaportheoryzae</i>) and Brown sport (<i>Cochliobolusmiyabcanus</i>) on Paddy. A condition shall be incorporated on the label and leaflet that Product is toxic to fish and aquatic invertebrates and thus the product containing the molecules shall be avoided near water bodies and where aquaculture practices are followed.
8.2	Consideration of the request from M/s BASF India Ltd., for endorsement of additional factory address in the certificate of registration Thiophanate Methyl Technical.
	Committee deliberated the agenda and approved. However, a cautionary statement may be incorporated on the certificate of registration that “Thiophanate methyl is toxic to the earthworm” and endorsement letter should be issued along with amended certificate of registration. The original certificate shall be submitted for amendment by the applicant.
8.3	Consideration of the request from M/s Nectar Crop Science Pvt. Ltd., for change in name of M/s Nichono Chemicals India Pvt. Ltd., on 5 registration certificate.
	Committee deliberated the agenda and approved. However, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.
8.4	Consideration of the request from M/s LG Life Science India Pvt. Ltd., for change in name to M/s LG Chem Life Science India Pvt. Ltd., on 2 registration certificate.
	Committee deliberated the agenda and approved. However, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.
8.5	Consideration of the request from M/s IFFCO-MC Crop Science Pvt. Ltd., for endorsement of second/additional factory address in 6 certificate of registration.
	Committee deliberated the agenda and approved. However, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.
8.6	Consideration of the request for transfer of one certificate from M/s Best Crop Science LLP to M/s Best Agro Chem Pvt. Ltd.,
	Committee deliberated the agenda and approved.
8.7	Consideration of the request from M/s Coromandel International Ltd., for endorsement of additional factory address on 8 certificate of registration.
	Committee deliberated the agenda and approved. However, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.
8.8	Consideration of the request from M/s Vimal Crop Care Pvt. Ltd., for endorsement of factory address on the certificate of registration.
	Committee deliberated the agenda and observed that the applicant has mislead the RC for applying for endorsement regarding to two products viz Alachlor, Triazophos, which falls within the category of the pesticides which are not to be manufactured from 08.08.2018 as per the Gazettee Notification therefore, the RC took a serious view of the issues and observed that prima-facie amounts to attempt de-fraud the RC and is decided to seek a clarification/justification on NJSP as to why legal action should not be taken against them. Further applicant needs to inform that the cautionary statement recommended by RC in its 361 st RC meeting have been incorporated in the certificate of registrations on the compounds figuring in the list of 66 pesticides reviewed by Dr. Anupam Verma Committee.

	Moreover, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.
8.9	Consideration of the request for transfer of 140 Certificate of registration from M/s Associated Enterprises to M/s Sayona Crop Care.
	<p>Committee deliberated the agenda and observed that the applicant has misled the RC for applying for endorsement regarding to three products viz Dichlorovos, Triazophos, Phosphamidon which falls within the category of the pesticides which are not to be manufactured from 08.08.2018 as per the Gazettee Notification therefore, the RC took a serious view of the issues and observed that prima-facie amounts to attempt de-fraud the RC and is decided to seek a clarification/justification on NJSP as to why legal action should not be taken against them.</p> <p>Moreover, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.</p>
8.10	Consideration of the request from M/s Safex Chemicals (India) Ltd., for endorsement of factory address on certificate of registration.
	<p>Committee deliberated the agenda and observed that the applicant has misled the RC for applying for endorsement regarding to three products viz Dichlorovos, Triazophos, Phosphamidon which falls within the category of the pesticides which are not to be manufactured from 08.08.2018 as per the Gazettee Notification therefore, the RC took a serious view of the issues and observed that prima-facie amounts to attempt de-fraud the RC and is decided to seek a clarification/justification on NJSP as to why legal action should not be taken against them.</p> <p>Moreover, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.</p>
8.11	Consideration of the request for transfer of 19 certificate of registration from M/s Atlas Agritech Ltd., to M/s Prism Agrotec Enterprises.
	<p>Committee deliberated the agenda and observed that the applicant has misled the RC for applying for endorsement regarding to three products viz Triazophos which falls within the category of the pesticides which are not to be manufactured from 08.08.2018 as per the Gazettee Notification therefore, the RC took a serious view of the issues and observed that prima-facie amounts to attempt de-fraud the RC and is decided to seek a clarification/justification on NJSP as to why legal action should not be taken against them.</p> <p>Moreover, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.</p>
8.12	Consideration of the request from M/s Sai Agro Tech for change in name to M/s GT Biosceinces Pvt. Ltd.,
	<p>Committee deliberated the agenda and observed that the applicant has misled the RC for applying for endorsement regarding to three products viz Dichlorovos, Phorate which falls within the category of the pesticides which are not to be manufactured from 08.08.2018 as per the Gazettee Notification therefore, the RC took a serious view of the issues and observed that prima-facie amounts to attempt de-fraud the RC and is decided to seek a clarification/justification on NJSP as to why legal action should not be taken against them.</p> <p>Moreover, the applicant shall comply the decision taken by the RC vide Agenda Item No.3.13.</p>

8.13	M/s BASF India Ltd., has submitted an application for the label expansion of Fluxapyroxad 333 g/l FS on aspergillus black, rot in Groundnut and black scarf in Potato under section 9(3).
	Committee deliberated the agenda and approved for controlling of Aspergillus black rot on Groundnut; Black scurf (<i>Rhizoctonia saloni</i>) on Potato. A condition may be incorporated on the label and leaflet that Fluxapyroxad is reported to be highly toxic to fish fresh water and salt water invertebrates and aquatic plants. Its use in around water bodies may be avoided.
8.14	M/s BASF India Ltd., has submitted an application for the label expansion of Thiophanate methyl 450 g/l + Pyraclostrobin 50 g/l FS on Chickpea for the control of Wilt (Fusariumoxysporium) and Rot rot (Rhizoctoniaspp) under section 9(3).
	Committee deliberated the agenda and approved for controlling of wilt (<i>Fusariumoxysporium</i>), Root rot (<i>Rhizoctoniaspp</i>) on Chickpea. A condition shall be incorporated on the label and leaflet that product is reported to be toxic to fish, aquatic invertebrates and to aquatic plants. Its use in around water bodes shall be avoided.
8.15	M/s BASF India Ltd., has submitted an application for the label expansion of Fluxapyrodad 167 g/l + Pyraclostrobin 333 g/l SC on Coffee leaf rust in Coffee and Turcicum leaf blight, common rust in Maize under section 9(3).
	Committee deliberated the agenda and approved subject to fixation of MRL for controlling of Coffee leaf rust (<i>Hemileia vastatrix</i>) on Coffee; Turcicum leaf blight (<i>Exceserohilum turcicum</i>), common rust (<i>Puccinia sorghi</i>) on Maize. A condition shall be incorporated on the label and leaflet that : “Product is toxic to young adult honey bees, application of the product containing the these molecules shall be avoided during active foraging period of the bees.” “This product is toxic to aquatic organisms and as such shall not be used in and around aquaculture.”
9.0	<u>MISCELLANEOUS ITEMS</u>
9.1	Consideration of application for import/indigenous manufacturing permits for biocides used in paint by Paint industry.
	The RC deliberated the agenda and noted the following:- <ol style="list-style-type: none"> 1. The applicants are traders. 2. Referred its decision taken at Agenda Item No. 3.8. 3. RC decided that the applicant needs to submit affidavits that <ol style="list-style-type: none"> a) The use of Diuron and Carbendazim will be on the preparation of end use paint products for preservative purposes only. And no claim will be madew.r.t. it use as algaecide or fungicide respectively. b) If the claim for algaecide or fungicide will be made then applicant has to adhere to the regulatory regime as per the Insecticides Act, 1968 and Rules framed there under etc. <p>Accordingly, the RC decided that the applicants may be informed by the way of Public Notice to submit an affidavit as per the Proforma, (Anneuxre- III & IV) incorporating the above observations of the RC.</p>

	RC further desired that the applicants who propose to move a request for the issuance of the above Import permission they are required to submit the above said affidavit along with the other mandatory documents with their applications.
9.2	Consideration of application for laboratory approval for pesticides testing for the registration.
	The matter will be referred to NGCMA to seek its comments on the above subject. Further the RC desired that a Representative from NGCMA (Co-opted member of RC) may be requested to participate in the forthcoming RC meeting for deliberations and adequate expertise to the RC so as to take a considerable view on the above subject regarding data generation on different specialties pertaining to Chemistry, Bio-efficacy, Persistence, Residue and Packaging etc.
9.3	Consideration of a request of M/s Krishi Rasayan Exports Pvt. Ltd., for extension of validity period of their CR in respect of <i>Atrazine Technical 98% w/w min. u/s 9(3)</i>.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Atrazine Technical 98% w/w min.</i> up to 06.08.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.4	Consideration of a request of M/s Crystal Crop Protection Pvt. Ltd., for extension of validity period of their CR in respect of <i>Clodinafop propergyl Technical 97% w/w min. u/s 9(3)</i>.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Clodinafop propergyl Technical 97% w/w min.</i> up to 28.12.2021, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.5	Consideration of a request of M/s Crystal Crop Protection Pvt. Ltd., for extension of validity period of their CR in respect of <i>Azoxystrobin Technical 98% w/w min. u/s 9(3)</i>.
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Azoxystrobin Technical 98% w/w min.</i> up to 28.05.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.

9.6	Consideration of a request of M/s Willowood Chemicals Pvt. Ltd., for extension of validity period of their CR in respect of <i>Propargite Technical 90.8% w/w min.</i> u/s 9(3).
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Propargite Technical 90.8% w/w min.</i> up to 06.11.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.7	Consideration of a request of M/s Willowood Chemicals Pvt. Ltd., for extension of validity period of their CR in respect of <i>Bifenthrin Technical 95% w/w min.</i> u/s 9(3).
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Bifenthrin Technical 95% w/w min.</i> up to 14.11.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.8	Consideration of a request of M/s Syngenta India Ltd., for extension of validity period of their CR in respect of <i>Emamectin benzoate Technical 95% w/w min.</i> u/s 9(3).
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Emamectin benzoate Technical 95% w/w min.</i> up to 09.03.2024, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.9	More than 6 month old deficient files u/s 9(3) FI, FIM, TI & TIM categories kept hold registration committee vide agenda item no. 1.3 in its 381st meeting held on 06.12.2018.
	List to be revisited by Sectt. of CIB&RC. If representation/ deficiency reply comes, the case could be considered for reopening on applicant request.
9.10	Consideration of application for import permits to multiuse insecticides (other than Boric Acid) for non-insecticidal use.
	Committee deliberated the agenda and approved as per Annexure 9.10.1

9.11	Consideration of application for import permit for Boric acid for non-insecticidal use.
	Committee deliberated the agenda and approved as per Annexure 9.11.1
9.12	Correction in RC meeting decision for agenda No. 6.19 of 388th RC meeting.
	Committee deliberated the agenda and approved for correction
9.13	Consideration of a request of M/s Crystal Crop Protection Pvt. Ltd., for extension of validity period of their CR in respect of <i>Tricyclazole Technical 98% w/w min. u/s 9(3)</i>.
	RC deliberated the agenda and took a serious note as to the fact that the approved source as mentioned in the CR is registered with 95% purity of the product under reference. On the contrary the applicant had claimed to import the above product with 98% purity in consonance with the registered product under TIM category which <i>prima-facie</i> appears to be unjustified and against regulatory procedures. Therefore, in view of the above fact the RC decided that a Show Cause Notice shall be issued to the applicant to submit a reasonable justification within 15 days from the date of issuance of Show Cause Notice as to, why the Certificate of Registration should not be cancelled for misleading the RC.
9.14	Representation received from M/s NACL Industries Ltd., (formerly known as Nagarjuna Agrichem Limited) for import of <i>Flucarbazone Sodium 35% SC</i> formulation based on the export of Flucabazone Sodium Technical (92% min.) made by the firm for recovery of the Technical.
	Committee deliberated the agenda and did not agree to the request made by M/s NACL Industries Ltd., (formerly known as Nagarjuna Agrichem Limited) to import non registered product for use in the country(<i>Flucarbazone Sodium 35% SC</i> formulation) based on the export of Flucabazone Sodium Technical (92% min.) (registered under export only category) made by the firm to recover Technical material from the claim to be defective formulated product.
9.15	Consideration of request of M/s Pest Control (India) Pvt. Ltd., for providing guidelines for registration of <i>herbal bed bug spray</i> using combination of essential oil.
	RC deliberated the agenda and decided to frame the guidelines at the Secretariat level and brought to the next RC for the combination products of bio-pesticides/botanical pesticides for this purpose the RC decided to constitute a committee comprising following expert: <ol style="list-style-type: none"> 1. Dr. Sandhya Kulshrestha, Consultant (Pharma) Chairman 2. Ms. Kamlesh Miglani, JD (Chem) Member 3. Sh. A. K. Reddy, DD (WS) Member 4. Sh. Kiran W. Deshkar, DD (E) Member Secretary
9.16	Consideration of application of M/s Rallis India Ltd., for grant of registration for <i>Flubendiamide 0.7% GR</i> (file was deferred in 375th RC held on 19.05.2017).

	RC noted that the case was deliberated in 375 th RC meeting and was deferred for the want of complete information on bio-efficacy and safety parameters. Complete agenda is to be brought in the next RC meeting.
9.17	Consideration of a request of M/s Dow Agrosience India Pvt. Ltd., for extension of validity period of their CR in respect of <i>Oxyfluorfen Technical 97% w/w min.</i>
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Oxyfluorfen Technical 97% w/w min</i> up to 19.11.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.18	Consideration of a request of M/s Dhanuka Agritech Ltd., for extension of validity period of their CR in respect of <i>Flusilozole Technical 95% w/w min.</i>
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Flusilozole Technical 95% w/w min.</i> up to 18.12.2023, if applicant does not possess the Certificate of Registration for indigenous manufacture.
9.19	Consideration of a request of M/s Sumitomo Chemical India Pvt. Ltd., of source in their CR in respect of <i>Pyriproxyfen Technical 95% w/w min.</i>
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC observed that as per the Japan regulatory policy technical grade pesticide for export are not registered in their country hence the product do not have any validity period.
9.20	FR from Secretary, Ministry of Chemical and Fertilizers, Dept. of Chemicals and Petrochemicals for provisional registration for LLIN under 9(3).
	RC was apprised that the applicant had not applied for the registration of its product. RC advised that the applicant is required to apply as per the existing and relevant guidelines already available at the website of www.dppqs.nic.in .
9.21	FR for use of combination product of <i>Streptomycin sulphate + Tetracycline hydrochloride.</i>

	<p>RC constituted a committee comprising following to examine the MRL issue and existing label claims</p> <table> <tr> <td>1. Dr. P. Chakravarty</td> <td>Chairman</td> </tr> <tr> <td>2. Dr. SaritaBhalla</td> <td>Member</td> </tr> <tr> <td>3. Plant Pathologist from CIB&RC</td> <td>Member secretary</td> </tr> </table>	1. Dr. P. Chakravarty	Chairman	2. Dr. SaritaBhalla	Member	3. Plant Pathologist from CIB&RC	Member secretary
1. Dr. P. Chakravarty	Chairman						
2. Dr. SaritaBhalla	Member						
3. Plant Pathologist from CIB&RC	Member secretary						
9.22	Status of application of M/s Clark Environmental Technologies (India) Pvt. Ltd., for registration of the product <i>Spinosad DT Tablet and Spinosad 20 EC</i> under section 9(3b) of the Insecticides Act, 1968.						
	The RC deliberated the agenda and decided that the applicant is requested to apply a fresh under section 9(3) category.						
9.23	Status of application of M/s Arguse Polymers for registration of the product Permethrin under section 9(3b) of Insecticides Act, 1968.						
	The RC deliberated the agenda and decided that the applicant is requested to apply a fresh under section 9(3) category.						
9.24	Indigenous manufacturing of <i>Imiprothrin 50% vs MUP</i> import.						
	RC constituted a committee of relevant experts comprising of Consultant (Pharma) SK, JD (Chem) AS, DD (E) KWD and AD (Pack) AT to examine the case and present before the RC in next RC meeting.						
9.25	Status of application for import of Biocides.						
	This agenda has been shifted to Agenda Item No. 9.1						
9.26	Consideration of request of M/s Agrico Organics Ltd., for enhancement of validity of registration for import of <i>Cartap hydrochloride Technical 98% w/w min.</i> u/s 9(4) TIM.						
	Committee noted that the matter relating to grant of registration under TI category and the extension of such certificate is sub-judice. Accordingly, after deliberation it was decided that an affidavit from the applicant is to be obtained whether the applicant possesses the certificate of registration for the product under TIM category. In case the applicant is found having certificate under TIM category, the extension may be granted subject to final outcome/order in the relevant Appeal/Court Case. RC agreed to extend the validity of the certificate of registration for import of <i>Cartap hydrochloride Technical 98% w/w min.</i> up to 06.03.2022, if applicant does not possess the Certificate of Registration for indigenous manufacture.						
9.27	Consideration of request of M/s Bayer Vapi Pvt. Ltd., for import of <i>Fipronil Technical 90% min.</i> u/s 9(4) TI.						

	Committee deliberated the agenda and observed that the registration has been granted at 90% whereas the purity of the product on ICAMA website for said source is 95% min. The applicant may be invited for presentation.
9.28	Consideration of application for enhancement of shelf life under section 9(4) of the Insecticides Act, 1968.
	Committee deliberated the agenda and approved as per Annexure 9.28.1
9.29	Change of category of file from 9(3b) to 9(3) in respect of M/s Argus'e Polymer.
	The RC deliberated the agenda and decided that the applicant is requested to apply afresh under section 9(3) category.
9.30	Representation from M/s Parijat Industries Ltd., regarding request to issue order to initiate scrutiny of six applications u/s TI vs TIM of IA, 1968.
	Noted.
9.31	Representation of M/s Crop Life India regarding registration application pending for scrutiny for more than a year.
	<p>In view of Make in India initiative and as per RC decision in various meetings files on indigenous manufacturing are being evaluated on priority at Sectt. of CIB&RC. RC took a note of representation made by M/s Crop Life India. RC felt that many new molecules are registered and are also under process of registration which directly or indirectly benefits manufacturing of such new molecules in the country also as TIM vs TI and FIM vs FI categories of registration are well in place. In view of the fact that new molecules are also required to be registered for the benefit of farmers RC adhering to Make in India initiative and also to liquidate the applications pending for first scrutiny devised the following mechanism.</p> <ol style="list-style-type: none"> Three TIM/FIM : One TI/FI (New molecules which has been applied within five years of first global registration in USA, European Union, Australia , Japan. RC decided that applications for indigenous manufacturing under FIM category shall be given priority if applicants convert their applications from FI category to FIM category u/s 9(3). Technical Import of such embedded molecules would be given priority as six TIM : one TI for those molecules which are not falling in the category a) above. Registration under TIM by the original registrant under formulation import category with Additional manufacturing site in India Two : One (minutes of 390/391st RC). <p>The public comments on the above mechanism may be brought in the next RC meeting for further appropriate decision.</p>
9.32	Status of application of M/s Vestergrad Frandsen (India) Pvt. Ltd., for grant of registration of for import of <i>Deltamethrin LLIN 0.4% w/w in roof + 0.28 % w/w in side panels + synergist piperonyl Butaoxide (2.5% w/w in roof) incorporated combination Bed Net un der section 9(3b) of the Insecticides Act, 1968.</i>

	The RC deliberated the agenda and decided that the applicant is requested to apply afresh under section 9(3) category.
9.33	Representation received from Erofin Advinus Ltd., and Crop Life India regarding for consideration and approval of their facility for conduct of field trials applicable to data generation for Residue studies and Persistent studies.
	This agenda has been shifted to Govt. Business under Agenda item No. 3.9
9.34	Representation received from Crop Care Federation of India and Crop Life India regarding suggestion/comments on representative Crop Group of various crop commodities and proposed data generation scheme for implementation of crop grouping for fixation of sub group MRL.
	This agenda has been shifted to Govt. Business under Agenda item No. 310
9.35	Committee constituted on Draft Insecticides' rules on Label and leaflets
	The committee deliberated the agenda and noted the proposed changes in the draft Notification No. GSR 10 (E) dated 01.01.2019 published in the Gazette of India dated 04.01.2019 under reference as per Annexure 9.35.1 . The same may be apprised to the DAC&FW.
10.0	Online filling of application for registration under different categories.
10.1	Consideration of application u/s 9(4) FIM category received only by complete On-line system.
	The Agenda was deliberated in detail & all the complete cases were approved as proposed in Annexure – 10.1.1 of the agenda except the products covered under the Gazette Notification SO 3951 (E) dated 08.08.2018 published on 09.08.2018. RC directed the Secretariat of CIB&RC that all the cases under section 9(4) must be issued after confirming the fixation of MRL for the product. It was also directed to recheck cases and should strictly follow Gazette Notification SO 3951 (E) dated 08.08.2018 published on 09.08.2018 of Ministry of Agriculture, Cooperation and Farmers Welfare while issuing approvals.
11.0	Any other item with the Permission of Chair
11.1	The follow up actions on General Recommendations of Dr. S. K. Malhotra Committee – reg.
	This agenda has been shifted to Govt. Business under Agenda item No. 3.11
11.2	Registration of biopesticides/botanical products under section 9(3) and abolition of registration under 9(3b) for repeat registration – reg.

	This agenda has been shifted to Govt. Business under Agenda item No. 3.12
11.3	Interpretation of Rule 6 (B) of the Insecticides Rules, 1971 regarding the proposed fees structure for addition, deletion or alteration of the certificate of registration including label and leaflets
	This agenda has been shifted to Govt. Business under Agenda item No. 3.13

***Basic facilities for Pesticides manufacturing unit was found unsatisfactory during Physical verification of the firm and RC “did not approve” the case for import for export.**

The applicant had applied under FTE category. However, failed to provide the mandatory documents and requested that their application should be considered in the general category of the export. RC accepted the request and directed the Secretariat to scrutinized this file under general category for further necessary action.

The applicant had applied under SE category. However, failed to provide the mandatory documents and requested that their application should be considered in the general category of the export. RC accepted the request and directed the Secretariat to scrutinized this file under general category for further necessary action. .

The list at Annexure 4.1.1 was presented before RC and is “approved except for the products” at S. No. 30, 33, 56, 58, 59, 60, 61, 63, 64, 65, 66 & 67. RC further decided that the sole applicant of 12 bio-pesticides products should be invited for presentation why they want to export the Bio-pesticide products.

MINISTRY OF AGRICULTURE AND FARMERS WELFARE

(Department of Agriculture, Co-operation and Farmers Welfare)

NOTIFICATION

New Delhi, the 1st January, 2019

G.S.R. 10(E).—The following draft rules further to amend the Insecticides Rules, 1971, which the Central Government proposes to make in exercise of the powers conferred by section 36 of the Insecticides Act, 1968 (46 of 1968), is hereby published, as required by the said section, for information of all persons likely to be affected thereby; and notice is hereby given that the said draft rules shall be taken into consideration after the expiry of thirty days from the date on which the copies of this notification as published in the Gazette of India are made available to the public;

The Objections or suggestions which may be received from any person in respect of the said draft rules before the expiry of the aforesaid period of thirty days will be considered by the Central Government;

Objections and suggestions in respect to the said draft rules may be forwarded to the Joint Secretary (Plant Protection), Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Co-operation and Farmers Welfare, Krishi Bhawan, New Delhi-110 001.

Comments of CIB&RC on draft insecticide rules 1971

DRAFT RULES

1.Short Title and Commencement.	(1) These rules may be called the Insecticides (Second Amendment) Rules, 2019.	Ok - No Comments
---------------------------------	--	-------------------------

	1) They shall come into force on the date of their final publication in the Official Gazette.	Ok - No Comments
2. In the Insecticides Rules, 1971 (hereinafter referred as the said rules) in rule 18, in sub rule (l),	a) in clause (j) for the words “printed on the leaflet”, the words “printed on one place on the leaflet” shall be substituted.	Ok - No Comments
	b) in clause (k), the word “detailed” shall be omitted.	Ok - No Comments
	c) in clause (m), The word “Crop” should be replaced by “recommended use, whichever applicable”	Because public health pesticides, household pesticides and other industrial use pesticides are also registered under the Act.
	i. for sub-clause (i), the following sub-clause shall be substituted, namely:- “weather conditions in general”	Ok - No Comments
	ii. for sub-clause (ii), the following sub-clause shall be substituted, namely:- “soil and Water wherever applicable”	Because Public health pesticides or household pesticides used in water as larvicide or adulticides need details of type of water (clean/polluted) to be specified and doses of product in different type of water are different.
	iii. for sub-clause (vii), the following sub-clause shall be substituted, namely:- “ dosage (include gram active ingredient formulation and dilution in liters)”	Because dose for products used for seed treatment, household etc. cannot be expressed in hectare basis.
	d) in clause (u), the words “secured to primary pack or” shall be inserted after the word “shall be”;	Ok - No Comments
3. In the said rules , in rule 19,for sub-rule (1), the following sub-rule shall be substituted, namely:-	1) i. The label shall have either one, two or three panels and shall be printed only in English and Hindi languages unless stated otherwise. The minimum size of the one and the two panels label to be affixed on the face of the container shall be not less than	Ok - No Comments

	110 square centimeters. The minimum size of the three panel label shall not be less than 160 square centimeters.	
	There shall be three types of labels depending on the net contentweight or volume:	The registration committee approves package contents of solid pesticides in weight and of liquid pesticides in volume.
	(i) Ultra small packs-1g or /ml to 50 gor /ml	To clearly indicate that the denotation is not for weight/volume in which pesticide formulations are sometimes registered in the country.
	(ii) Small packs-51 gor/ml to 250 gor /ml	Ok - No Comments
	(iii) Big packs->250 gor/ml	Ok - No Comments
	The following information shall be printed on the label :-	Ok - No Comments
	a) name of insecticide (brand name or trade name under which the insecticide is sold). The brand name should not be of bigger size than the common name and it should occupy not more than 20% of area of the face or panel. The brand name could be in BOLD	Ok - No Comments
	b) common name;	Ok - No Comments
	c) instructions to “Read Leaflet Before Use”; in bold and in all languages where it is proposed for sale and to be placed on the top of the label in a prominent place.	Ok - No Comments
	d) list of crops/ target areaand broad category of pests on which it is registered to apply;	Besides crops, target area need to be included because all pesticides including public health, household or meant for industrial purpose etc. are also regulated under the Insecticides Act.
	e) purpose of the chemical should be mentioned on the label, For example: - i. For Agricultural Use ii. For Pest Control Operators iii. For House Hold Use iv. For Public Health v. Others : Specify	Because pesticides used for purpose other than to iv are also regulated under the I. Act. e.g. biocides, pesticides in articles etc.

	f) optimal re-entry period after each application of Insecticides:	These are interim recommendations of the RC. The final recommendations are yet to come. Further, based on scientific data, different decision for particular pesticide may be taken. Hence, it should not be included in the Rules. This should be based on scientific data, details guidelines for which may be provided by the RC.
	g) safety precautions	Ok - No Comments
	h) composition of the product	Label is for both technical and formulation. The word 'product' will cover both technical and formulation.
	i) § symptoms of poisoning and first aid	Ok - No Comments
	j) antidote statement	Ok - No Comments
	k) name of the manufacturer	Ok - No Comments
	l) imported and re-packed by(if applicable)	Because all products are not imported. Many are manufactured.
	m) marketed by	Ok - No Comments
	n) registration number of the insecticide	Ok - No Comments
	o) manufacturing license number	Ok - No Comments
	p) batch number	Ok - No Comments
	q) manufacturing date	Ok - No Comments
	r) expiry date	Ok - No Comments
	s) Maximum Retail Price (M.R.P.) Inclusive of taxes	Ok - No Comments
	t) net content of weight or volume (in metric system)	Ok - No Comments
	u) Diamond shape square-,symbol, signal word and warning statement and other information as per sub-rule (3), (4), (5) & (6).	Information as per sub-rule (3), (4), (5) and (6) need to be incorporated on label.
	v) Cautionary statement i. Not to be used for any purpose(s) other than those subscribed on label and leaflets	Warning statements are already specified under rule (4). Hence, these should be called 'Cautionary statement'.

	<p>ii. Destroy the container after use as directed on leaflet</p> <p>iii. Any other warning or cautionary statement as approved by Registration Committee</p>	<p>Pesticides are not only used on crops but for many other purpose viz. household, public health, in industries for various reasons.</p> <p>There are pesticides which are registered for this purpose only like Aluminium phosphide, chlorpropham etc., hence deleted.</p> <p>Not required as for all label claims, details are given on leaflets. Sub-rule(1) (i)(c) already mentions to incorporate on label 'Read Leaflet before use' in bold.</p>
	w) Company's name, barcode, hologram, QR Code, e-mail id and customer care numbers.	Ok - No Comments
	Additional information can be added to the Label after approval by the Registration Committee.	Ok - No Comments
	All relevant safety pictograms (refer picture I in the THIRD SCHEDULE) of size not less than one square centimeter at the bottom of the label in respect of labels of minimum size. Pictograms shall be proportionately bigger in respect of labels of bigger size at the bottom of the right side panel. They shall be printed only once on the label. For ultra-small and small labels the pictograms shall be printed only on the secondary pack.	Ok - No Comments, Gramatical mistake of sentence corrected.
	1.(ii) The label shall be printed legibly using font size of not less than seven points in English and seven points in Hindi unless stated otherwise.	Ok - No Comments
	1.(iii) (a) If the container or packet or sachet is ultra-small or small, the product should be packed in a secondary pack on which label of prescribed size as per contents of clause (i) of sub-rule (1) of rule 19 shall be printed.	Both small and ultra-small pack types need to be put in secondary pack.

	(iii)(b) Bigger packs of existing registrations may also opt for packing the product in a secondary pack on which label of prescribed size as per contents of clause (i) of sub-rule (1) of rule 19 shall be printed.”	Ok - No Comments
	1(iv) (a) In case where small sachets, packets or containers (for sizes between 51 and 250 gor/ml) are used shall be further packed in a secondary pack. The following details shall be printed with indelible ink on primary pack in English and Hindi and in the font size of not less than five On the secondary pack information as per content of clause (i) of sub-rule (1) of Rule 19 shall be printed in English and Hindi in font size of not less than seven points	Ok - No Comments Because all information as per Rule 19 (1) shall be printed on label (Primary or secondary)
	(a) brand name	Ok - No Comments
	(b) common name	Ok - No Comments
	(c) Instructions to “Read leaflet before use” (at- least in Hindi and English)	These instructions are necessary to ensure that consumer reads leaflet which provide detail information about the product.
	(d) manufacturers name and address	Ok - No Comments
	(e) imported and re-packed by (if applicable)	Ok - No Comments
	(f) antidote	Ok - No Comments
	(g) registration number	Ok - No Comments
	(h) manufacturer’s license number	Ok - No Comments
	(i) batch number	Ok - No Comments
	(j) manufacturing date	Ok - No Comments
	(k) expiry date	Ok - No Comments
	(l) maximum retail price (MRP incl. of taxes, in rupees)	Ok - No Comments
	(m) net content	Ok - No Comments
	(n) customer care details and	Ok - No Comments
	(o) Diamond shape square-,symbol, signal word and warning statement and other information as per sub-rule (3), (4), (5) & (6) of Rule 19.	Information as per sub-rule (3), (4), (5) and (6) need to be incorporated on label.
	iv. b) In case where ultra- small sachets, packets or containers (for sizes between 1 and 50	Ok - No Comments

	gor/ml) are used shall be further packed in a secondary pack. The following details shall be printed with indelible ink on the inner most pack in English only and in the font size of not less than five points as well as on the secondary pack in English and Hindi and in font size of not less than seven points:-	
	(a) brand name;	Ok - No Comments
	(b) common name;	Ok - No Comments
	(c) manufacturers name	Ok - No Comments
	(d) imported and re-packed by (if applicable);	Ok - No Comments
	(e) antidote	Ok - No Comments
	(f) registration number;	Ok - No Comments
	(g) manufacturer's license number;	Ok - No Comments
	(h) batch number;	Ok - No Comments
	(i) manufacturing date;	Ok - No Comments
	(j) expiry date;	Ok - No Comments
	(k) net content ;	Ok - No Comments
		Already covered under sub-rule1(iv)(a) and (b).
	v. The model labels (two panel and three panel) shall be as per the pictures II, III, IV & V given in the "THIRD SCHEDULE "	Ok - No Comments
4. In the said rules, for the "Third Schedule" following shall be		Ok - No Comments

substituted namely:-
