	The RC deliberated the agenda and differed for complete agenda of its formulation and technical agenda for deliberation in next RC.
	<u>9(3) Bio-pesticides</u>
6.5	Consideration of application of M/s Mukti Organic Fertilizers Pvt. Ltd., for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma viride</i> 1.0% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.6	Consideration of application of M/s Greenvention Biotech Pvt. Ltd., for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma viride</i> 1.5% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.7	Consideration of application of M/s Probitex Biotech for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma viride</i> 1.5% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.8	Consideration of application of M/s Akash Laboratories for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma viride</i> 1.5% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.9	Consideration of application of M/s Synergy Agro Bio Tech for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma viride</i> 1.5% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.10	Consideration of application of M/s Best Crop Science LLP for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma harzianum</i> 1.0% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.11	Consideration of application of M/s Curative Microbes Pvt. Ltd., for grant of registration for indigenous manufacture of bio-pesticide <i>Trichoderma harzianum</i> 1.0% WP under section 9(3).

	RC deliberated the agenda and approved the case.
6.12	Consideration of application of M/s Khedut Beej Nigam for grant of registration for indigenous manufacture of bio-pesticide <i>Beauveria bassiana</i> 1.15% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.13	Consideration of application of M/s Total Agri Care Concern P. Ltd., for grant of registration for indigenous manufacture of bio-pesticide <i>Beauveria bassiana</i> 1.15% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.14	Consideration of application of M/s Greenlife Biotech Laboratory for grant of registration for indigenous manufacture of bio-pesticide <i>Beauveria bassiana</i> 1.15% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.15	Consideration of application of M/s Vidarbha Biotech Lab for grant of registration for indigenous manufacture of bio-pesticide <i>Pseudomonas fluorescens</i> 1.0% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.16	Consideration of application of M/s Muktai Organic Fertilizers Pvt. Ltd., for grant of registration for indigenous manufacture of bio-pesticide <i>Pseudomonas fluorescens</i> 1.0% WP under section 9(3).
	RC deliberated the agenda and approved the case.
6.17	Consideration of application of M/s Curative Microbes Pvt. Ltd. for grant of registration for indigenous manufacture of bio-pesticide <i>Verticillium chlamydosporium</i> 1.0% WP under section 9(3).
	RC deliberated the agenda and approved the case.
	<u>9(3) Chemicals</u>
6.18	Consideration of an application of M/s PI Industries Ltd., for grant of registration for indigenous formulation of <i>Dinotefuron</i> 20.0% w/w SG under section 9(3) (FIM vs FIT).

	Committee deliberated the agenda and approved the change of company name in 25 Certificates of Registration from M/s Crop Growth (India) Pvt. Ltd., to M/s Crop Growth (India) Pvt. Ltd.,
11.2	Minutes of the meeting held under the chairmanship of Sh Atish Chandra, Joint Secretary (Plant Protection) to discuss issues related to amendment in the Insecticides Rules 1971 regarding Label and Leaflet dated 28.08.2020 at 11.A.M in reference to W.P (c) No. 4136/2020 and W.P (c) No. 4137/2020.
	RC deliberated the issues raised in the meeting and agrees to the clarifications provided by the Central Government in toto as per details given at Annexure 11.2.1
11.3	Implementation of New Gazette Notifications for label and leaflet (GSR 782(E) dated 14.10.2019 and GSR 355 (E) dated 04.06.2020).
	<p>RC observed that the last date for submission of application for revised label leaflet as per the GSR 782(E) dated 14.10.2019 and GSR 355(E) dated 04. 06.2020 is over. The experts are finalizing the Label and leaflets contents, received from the registrants applied online as per the priority decided by the RC in its 417th Meeting vide agenda item no. 3.1, along with the regular work of the Secretariat of CIB&RC, finalization of the 9(3) label/leaflets is likely to take some time. The 9(4) applicants, whose cases have been approved by the RC but certificate of registration could not be issued due to the non-finalization of 9(3) revised label/leaflets, are likely to suffer till such time. In order to avoid hardship to these applicants and ensuring availability of pesticides at competitive price to the farmers. Therefore, it was considered justifiable that the Certificate of Registration of 9(4) applications, approved by the RC may be issued by Sectt. of CIB&RC, in respect of all those cases for which valid application of insecticides as per above Gazette Notification had been received in the Sectt. of CIB&RC), with the following conditions: -</p> <p>“(i) The registrant is required to use the label and leaflets as per GSR 355(E) dated 04.06.2020 and applicable Insecticides Rules.</p> <p>(ii) The issuance of the Certificate of Registration is strictly subject to the outcome of the W.P (C) No. 4136/2020 and W.P. (C) No. 4137/2020.”</p>

11.4	RC direction to the experts for immediate compliance
	RC directed all Experts that agenda from each discipline should accompany all relevant facts and details in a manner as it required to be, and last para of each agenda should have complete summary of the case along with recommendation of the concerned experts in a very clear and obvious manner and also observation whether the case is complete/incomplete as per requirements of the applicable guidelines/protocols etc.
11.5	Request from Pesticides Manufacturers & Formulators Association of India (PMFAI) issue public notice to confirm CIB&RC as authority as Indian Authority Controlling Registration/Regulatory Affairs concerning pesticides used in agriculture and public health to facilitate exports.
	RC deliberated the issue and directed the concerned legal expert to examine the matter and put up in the next RC for deliberation and appropriate decision.

Minutes of the meeting under the chairmanship of Sh. Atish Chandra, Joint Secretary (Plant Protection), Department of Agriculture Cooperation & Farmers Welfare in Room No 142, Krishi Bhavan, New Delhi to Discuss issues related to amendment in the Insecticides Rules, 1971 regarding Label and Leaflets dated 28.08.2020 at 11.00. AM (Reference - W.P.(c) No. 4136/2020 and W.P.(c) No. 4137/2020)

The List of the participants is attached at Annexure-1

Joint Secretary (PP) welcomed the participants and mentioned that in the light of the observations of Hon'ble High Court this meeting has been convened to discuss and resolve the remaining issues related to amendment in rule regarding label and leaflets. It was briefed by JS (PP) that the issues related to printing of Labels in Regional Language, Secondary packing, time line etc has already been resolved and clarified in detail to address the concerns of the industries in the previous meeting held on 22.07.2020 and same were also agreed by the Registration Committee in 421th RC meeting held on 21.08.2020.

The following remaining issues were raised and deliberated upon :

1. The requirement on label regarding "read leaflet before use" may not be insisted in regional languages other than English and Hindi and language of label for small and ultra small packages should be fixed to English and Hindi languages only due to space constraints.
2. Secondary packing on small and ultra small pack sizes should be abolished.
3. As the pictograms (1cm x 1cm) occupy substantial space on small and ultra small pack labels, the pictograms should be provided on the leaflet and not on the label.
4. The requirement of minimum area for toxicity triangle of "one sixteenth of the area of the panel or four square cm whichever is greater" should be removed for small and ultra- small pack label.
5. Option for editing of applications for amendments of label and leaflet that had been submitted prior to 2020 notification due to changes in the requirements of label in 2020 notification.

All the above issues were deliberated one by one.

The samples of pesticides containers taken up from the market of different pack sizes viz. 10ml (ultra-small), 50ml/grams, 100ml/grams(small) and 250ml/ grams(small) were duly exhibited to all the participants including petitioners to show the label requirements are already in place. During exhibition of the sample containers, it was noticed that brand name of the pesticides with pictures of vegetables, crops, design etc has taken substantial space on the label which may be reduced to easily accommodate the critical information given in the impugned notification .The video of these samples has already been submitted to be placed before the Hon'bleCourt.

On requirement of language it was clarified that in the view of linguistic diversity and benefit of the farmers/ end-users, the notification states that the "label shall be printed at least in English and Hindi languages unless stated otherwise". Therefore if a State insists on printing of label in any regional language in lieu of either English or Hindi, the same has to be complied with. Further, as evident from the exhibited market samples, presently in many samples the stakeholders are already printing information in Hindi, English and one or more regional languages on the labels of all pack sizes. The notification states to print the label in two languages only and thus, substantial space is available on label for printing all required information.

With regard to the issues of secondary packing, these have already been addressed in previous meeting held on 22.07.2020, however it is again reiterated that that the individual secondary packing has not been explicitly mentioned in the notification and Registration committee has also allowed multiple primary packs in a secondary pack in new cases of Registration being considered under the present Notification.

With regard to the issues of pictograms, these have already been addressed in previous meeting held on 22.07.2020, however it is again reiterated that pictograms have been an essential part of the label since its introduction on the labels. Moreover, it was informed that manufacturers are already printing these pictograms on all pack sizes of insecticides presently being sold in the market.

With regard to the issues of toxicity triangle and its size, these have already been addressed in previous meeting held on 22.07.2020, however it is again reiterated the toxicity

triangle is one of the crucial parameters providing the first hand information to the farmers / end- users about the acute toxicity or otherwise of the insecticides and it is already implemented on all pack sizes of insecticides presently being sold in the market.

With regard to the issues of option for editing of already submitted applications for amendments of label and leaflet, it was informed that there is no change in requirements of big pack label and information submitted by the stake-holders in online applications are for big labels only and same will be utilized for issuance of system generated labels of all pack sizes and hence no editing is required in applications submitted for amendments in label and leaflets. However, if still some firms has any issues with regard to any additional submission, the same can be mailed to Secretariat of CIB&RC.

Since still some members raised the issue of availability of space on the label ,it was suggested that if any difficulty is faced by any stake holder to accommodate the information on the label, they may submit the information to CIB&RC for necessary design and art work , the cost of which will be borne by the applicant.

The meeting ended with thanks to the chair.
