	It was pointed that applicants have submitted individual consent letter to supply product from m/s Bayer AG, Germany not from Source Bayer France. No.: CIR-787/2008(286) Fenamidone +Mancozeb (WG)-01 issued to M/S Bayer Crop Science Limited, Thane India. • From above it is quite evident that since, it is the Bayer France source, registered for import, the product will be imported from France only "the source".

	<ul style="list-style-type: none"> • The consent letter never says that supply will be made from Bayer AG Germany, rather it says that their own manufacturing facility "Bayer France source" which is registered in India for Import of Product. • The "Bayer France" is Bayer Germany's own manufacturing facility, the later is just giving the Consent to applicants for obtaining the "9(4) registration for import" from their manufacturing facility Bayer France. • This issue was also raised in open house meeting on 23 February, 2021 and was clarified by Associations. <p>Considering above points RC approved the applications of M/s P I Industries Ltd., Udaipur (File No. 104206-FI/9(4)/2020, C.S.N 149860) and M/s Saraswati Agro Chemicals (India) Private Limited (File No. 109925-FI/9(4)/2020, C.S.N 158977) for grant of registration of Fenamidone 10% + Mancozeb 50% WG for import only u/s 9(4) from M/s Bayer .S.A.S.
