10.0	<u>MISCELLANEOUS ITEMS</u>
10.1	Follow up action an agenda item no. 9.46 of 440th RC meeting regarding the consideration of request of M/s Godrej Consumers Products Ltd., for minor modification in CR in respect of Transfluthrin 0.6% Liquid Vaporizer (House hold insecticide).
	RC deliberated the agenda in detail. Since the request involves minor change in approved CC, hence supporting data requirement cannot be dispensed with. Therefore, the RC decided that the applicant may be invited for presentation before CIB&RC to discuss about the technical issues and therefore, bring the complete facts before RC.
10.2	Registration application for Permethrin 2% Aerosol to be used in Airplane for disinfection purposes.
	The members deliberated the agenda and observed that it seems an inadvertent error in preparing the guidelines on the subject matter. These guidelines were formulated long back and at that time requirement of sample submission might have not been in force. The application is almost three years old and it doesn't seem appropriate and justifiable to ask for a sample at this juncture. Therefore, the RC was of the opinion that as a special case the case can be processed as per existing guidelines. A condition may be incorporated in the CR for submission of a sample to CIL for Post Registration Verification from the first batch of production alongwith product specification and submission of sample in CIL for PRV purposes may be added in to the existing guidelines for future utilization and further RC decided that DGHS may be requested to share any document on the above protocol.
10.3	Consideration of an application of M/s APAR Industries Ltd., for grant of registration for indigenous manufacture of Petroleum derived Spray Oil 95% EC under section 9(3) FIM
