PUBLIC NOTICE

Subject : Public Notice regarding GLP/NABL accredited laboratories for generating data on the registration of pesticides - Reg.

Reference is invited to the decision taken by the Registration Committee (RC) Meeting vide Agenda Item No. 10.48 during its 464th meeting held on 30.05.2025 for information to all stakeholders which is reproduced as below: -

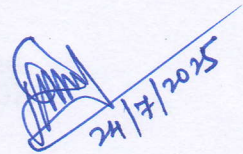

"RC perused the agenda and endorsed that data generated by GLP and NABL labs is accepted for registration purpose. It also observed that the earlier practice of inspection and approval of GLP/NABL accredited laboratories by the CIB&RC was replaced and a system of uploading on DPPQ&S website the list of NABL/GLP accredited labs along with their scope and validity was commenced.

In this regard RC decided that to avoid the lag in updation of accreditation status of laboratories and also the fact that the information regarding the accreditation status of any testing laboratory is already available in public domain on the official websites of both NABL as well as NGCMA, DST (for GLP), a hyperlink to both these resources may be made available on the official website of this directorate, to enable the verification of the accreditation status of the laboratories involved in generating data for registration of pesticides purposes and the system of publishing and updating list of NABL and GLP laboratories on DPPQ&S website may be done away with. A public Notice to this effect may also be issued for wider dissemination of the

decision to the stakeholders".

2. The above decision taken by the RC is brought to the notice of all stakeholders and are advised to refer to the following official websites of NABL and NGCMA, DST (for GLP) for detailed information on the list/status of NABL accredited and GLP compliance laboratories in India for generating technical data as per the requirement for the registration of pesticides:

1. <https://nabl-india.org/>
2. <https://dst.gov.in/ngcma>

A handwritten signature in blue ink is written over the date 24/7/2025. The signature is stylized and appears to be 'Devanand'.
