To  
The Secretary, CIB&RC/  
Directorate of Plant Protection Quarantine & Storage  
NH-IV, Faridabad, Haryana-121001.

**Subject: Commercialization for insecticides under provisional registration as per Section 9 (3B) of Insecticides Act, 1968-reg.**

Sir,

I am directed to refer to commercialization granted under Section 9 (3B) of Insecticides Act, 1968. In this context, the following decisions are conveyed:

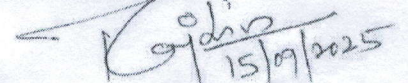

(i) As per provision under Section 9(3B) of the Act, where the Registration Committee(RC) is of opinion that the Insecticide is being introduced for the first time in India, it may, pending any inquiry, register it provisionally for a period of two years on such conditions as may be specified by it. Accordingly, extension of the provisional registration beyond the two-year period is not permitted under act and shall not be granted by the RC.

(ii) Since, there is no explicit mention of commercialization in the Act on grant of registration under the provision of Act either in 9(3), 9(3B) or 9(4), therefore, Registration Committee shall not forward requests of grant of permission for commercialization of Insecticides registered under 9(3B) to DA&FW, and shall deal such cases strictly as per provision under section-9 of Act.

(iii) The Registration Committee shall strictly adhere to the time limit of one year, extendable by a further period of up to six months, as prescribed under Section 9(3) of the Insecticides Act, for the scrutiny of applications. All decisions regarding the grant of registration shall be taken within the stipulated time frame in accordance with the provisions of the Act.

2. This issues with the approval of the Competent Authority.

Yours faithfully

(Dr. Rajbir Yadav)

Assistant Director (Chem.)
