PUBLIC NOTICE

Subject: Clarification regarding exemption for requirement of Import Permit for import of Certified Reference Materials (CRMs)-in continuation to Agenda Item No. 10.9 of the Minutes of the 473rd Meeting of the Registration Committee (RC)- reg.

Reference is invited to the decision taken by the Registration Committee vide Agenda item No.10.18 of 474th RC meeting held on 30.07.2026 which is reproduced as under:-

"In Agenda Item 10.9 of the Minutes of the 473rd RC, the restriction on "commercial use, formulation, manufacturing, sale, distribution or field application" is intended to ensure that Certified Reference Materials (CRMs) which may include banned and/or restricted pesticides and laboratory reagents that are included in the schedule of the Insecticides Act, 1968 are not diverted for sale and use as pesticide products. The statement is not intended to restrict their supply through traders and distributors. Since, Certified Reference Materials (CRMs) and laboratory reagents are predominantly imported and supplied to the endusers through traders and distributors, extending the exemption to traders and distributors ensures uninterrupted supply of CRMs and laboratory reagents for analytical, testing, calibration, quality assurance, and research purposes only."

Accordingly, this public notice is being issued for the general awareness of all stakeholders.

This issues with the approval of Secretary, CIB&RC.

(Suman Jakhar)

Senior Administrative Officer
