PUBLIC NOTICE

Subject: Compliance Requirements for Import Sources and Registration of Agro-Chemicals.

In pursuance of the decisions taken in the 469th Meeting of the Registration Committee (RC) held on 10.02.2026 under Agenda Item No. 3.1, regarding submission of requirements for import sources and registration of agro-chemicals, the following directives are hereby communicated for strict compliance by all stakeholders:

1. The Manufacturing address as well as office address of all the registered import sources of all the registered product/molecules registered for use in the country should be obtained from the stake holders with Geo Tagging details in the form of documentary evidence such as manufacturing license etc issued by the regulatory authorities of Source country/overseas country. The documents should be Government approved only.
2. The new applicants shall mandatorily submit the above required information with their applications
3. The above said requirement shall also be treated as a part and parcel of the relevant applicable guidelines and shall also be included into the requirement in the guidelines.
4. 9(4) TI endorsement of additional Source shall not be allowed, if the Chemical Composition of already granted CR is different from the source sought to be endorsed. In such cases applicant has to obtained fresh CR as per guidelines U/s 9(4) TI category to enhance the transparency in case of quality control and collation of data.
5. 9(4) TI endorsement cases of extension of validity, Change of address, Purity of the product etc of such source shall not be permitted whose CC is different from 9(3) registrant and/or does not match with the 9(3) original registrant. **(One Chemical Composition One CR is the principal rationale).**

This public notice is issued for the information and compliance by all Stake holders.

This issues with the approval of Secretary, CIB&RC.
