ORDER No. 002/PR/PM/MPIA/SG/DGPAF/DPVC/2026

Banning the importation, distribution and use of methyl bromide in Chad

THE MINISTER OF AGRICULTURAL PRODUCTION AND AGRO-INDUSTRIALIZATION

- Considering the Constitution;
- Considering Law No. 14/PR/95 of 13 July 1995 relating to Plant Protection;
- Considering Decree No. 10/PR/MA/99 establishing the modalities for application of Law No. 14 of 13 July 1995 relating to Plant Protection;
- Considering Decree No. 0064/PR/2025 of 04 February 2025 appointing a Prime Minister, Head of Government;
- Considering Decree No. 0065/PR/PM/2025 of 06 February 2025 appointing members of the Government;
- Considering Decree No. 112/PR/PM/2025 of 27 February 2025 amending Decree No. 0065/PR/PM/2025 of 06 February 2025 appointing members of the Government;
- Considering Decree No. 1092/PR/PM/2025 of 12 June 2025 on the General Structure of the Government and the responsibilities of its members;
- Considering Decree No. 1603/PT/PM/MPTA/2023 of 13 June 2021 on the organization and functioning of the Ministry of Agricultural Production and Agricultural Processing;
- Considering Decree No. 151/PCMT/PMT/2021 of 21 July 2021 on the creation, organization and responsibilities of General Secretaries of Ministerial Departments;
- Considering Order No. 0180/MAG/EL/DGPV of 20 October 2016 establishing the National Pesticide Management Committee;
- Considering Order No. 69/PR/PM/MAE/SG/DGPAF/DPVC/2015 of 16 March 2015 regulating the exercise of activities relating to the importation, exportation, manufacture, formulation, storage, possession, distribution and marketing of pesticides for agricultural use in the Republic of Chad;
- Considering Decision No. 013/19/CEMAC/CPAC/DG/DS/19 of 12 April 2019 banning the importation, use and storage of certain pesticides in the CEMAC zone;
- Concerned with the protection of human and animal health and the environment, and upon the proposal of the National Pesticide Management Committee (CNGP)

ORDER

Article 1:

Based on its absence from the global lists of pesticides authorized by the Sahelian Pesticides Committee (CSP) for many years, and on its ban in the CEMAC zone since 1 January 2015, in accordance with the Montreal Protocol for developing countries aimed at protecting the ozone layer, the Ministry of Agricultural Production and Agro-Industrialization acknowledges and declares that methyl bromide (BrCH₃) is a pesticide that is very dangerous to human and animal health and to the environment.

Article 2:

In order to preserve human and animal health and the environment, the importation, distribution and use of methyl bromide in all its forms are strictly prohibited in Chad.

Article 3:

The National Pesticide Management Committee (CNGP) is responsible for investigating and identifying violations of this Order.

Article 4:

Any persons contravening the provisions of this Order shall be subject to penalties in accordance with the criminal laws and regulations in force in Chad.

Article 5:

The Directorate of Plant Protection and Packaging (DPVC) is responsible for the implementation of this Order.

Article 6:

This Order, which shall take effect from the date of its signature, shall be registered and published wherever necessary.

Done at N'Djamena, on 08 January 2026
